

# LINAX complete

## **green-Effective® Ultra-performance floor stripper**

### ■ Eco-efficient performance with eco-effective product design

User and environmental safety at the highest cleaning performance

- Developed to fulfil the Austrian Ecolabel
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration

#### Sustainable development and production

##### EMAS:

- Continuous improvement of environmental performance
- Annual sustainability report
- Energy and water management
- Social Fairness

##### DIN ISO 14001:

- Continuous improvement in reducing waste and CO2 emissions, and saving of energy, water and material consumption

##### ISO 50001:

- Continuous improvement of energy management: performance, efficiency, security, use and consumption

##### A.I.S.E.-Charter:

- Safe and sustainable manufacturing of cleaning products

##### DIN ISO 9001:

- Continuous improvement of management processes and customer satisfaction
- Established quality management system in product development and production

#### Complete biodegradability

- LINAX complete with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard\*

\*for more information please visit [www.wmprof.com](http://www.wmprof.com)

#### Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Active water stewardship maintaining an own fresh and waste water treatment

#### Full transparency - complete ingredient declaration

<5% anionic surfactants (sodium alkyl sulfate), non-ionic surfactants (fatty alcohol EO adduct), soap (coconut oil)  
 Specific ingredients: water, glycol ether

#### Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

#### Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

# LINAX complete

## **green-Effective® Ultra-performance floor stripper**

- Effective ■ Fast action ■ No rinsing

### Product profile

- LINAX complete is an ultra-performance floor stripper with the Austrian Ecolabel and is suitable to strip any kind of polymer dispersion, also it is ideal for stripping LONGLIFE complete.
- LINAX complete works extremely powerful also in case of persistent care films or strong over treated floorings and can be used on alkali-sensitive floorings as well.
- No rinsing and neutralizing of the floor necessary, which saves time and natural resources.
- LINAX complete ensures increased safety due to non-skid properties during stripping.
- LINAX complete respects biological processes and thus contributes to act responsibly to future generations.

### Area of application

- LINAX complete is suitable for the universal use on all water-resistant flooring. It is specially suitable for the stripping of elastic floors such as PVC, linoleum, caoutchouc and other special plastic materials, as well as special hard floors such as stone and sealed wooden flooring.
- LINAX complete can be used with the spray-cleaning-method on oiled, waxed or sealed wood floorings.
- Not to be used on laminate and cork.
- Only use in well-ventilated areas. Ensure that there is good ventilation of the area during and after the cleaning process.

### Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

**250 mL/L**  
**Deep cleaning:** apply on the floor (max. 30m<sup>2</sup> at once), leave for 10 min.

Clean the floor with a single disc machine and a suitable pad or a scrubbing brush.

remove the dirt and old polymer layers using a water-suction cleaner.

Wipe completely and thoroughly with a wet mop.

**30-50 mL/L**  
**Top stripping:** spray on floor and treat with a single disc machine and a suitable pad.

### Product safety, storage and environmental instructions

**Safety:** For professional use only. Keep away from children. Do not mix with other products. Test material compatibility before use. When handling the product please use recommended protective clothing. For further information, see Safety Data Sheet.

**Storage:** Store at room temperature in the original container. Keep from freezing.

**Environmental:** Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimizes environmental impact.
