About Us

WLT Marketing Sdn Bhd

At WLT Marketing Sdn Bhd, we don't just follow industry standards - we set standard.

Founded in 1887, we have evolved into an unstoppable force in chemical manufacturing and distribution. Since our incorporation in 2011, we have relentlessly pushed boundaries to deliver cutting-edge solutions and unparalleled quality.

In 2007, we transformed the market by pioneering proprietary chemical formulas, solidifying our position as innovators in the industry.

Introduction

WLT Marketing Sdn Bhd specializes in

- ✓ Chemicals
- ✓ Hygiene
- ✓ Cleaning equipment
- ✓ Safety & Packaging products

In 2024, we achieved the prestigious Halal and GMP certifications in cosmetic, underscoring our uncompromising commitment to producing world-class products that meet the most rigorous global standards. These achievements are not just milestones—they're proof of our dedication to excellence and progress.

WLT Marketing Sdn Bhd is more than a company. We are trailblazers, innovators, and your ultimate partner in delivering products that redefine quality and performance. Welcome to the future of chemical solutions - welcome to WLT.

Mission

• Delivering Excellence

Committed to providing superior chemical products and services that exceed customer expectations.

• Customer-Centric Approach

Focused on understanding and fulfilling the diverse needs of our clients with precision and care.

• Quality Commitment

Ensuring the highest standards in our products and services to build lasting partnerships.

• Driving Progress

Leading the chemical industry through relentless innovation and a commitment to excellence.

Vision

- To become a leading manufacturer of cleaning products in Malaysia by delivering innovative, design-driven solutions and economic price to the market.
- To consistently exceed customer expectations by offering high-quality, environmentally-friendly cleaning products that promote sustainability and efficiency.

A balanced platform of supply service & support

Integrated category coverage

WLT brings together green chemistry, own-label chemical ranges, machinery, tissue, dispensers and hotel supply under one roof.

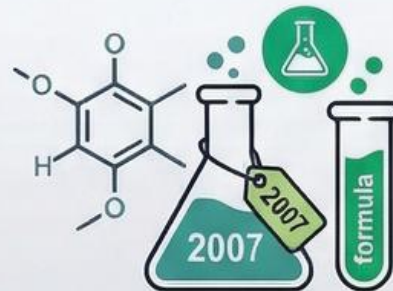

Regional machinery authority

The company highlights its position as the only Southern Region distributor of Nilfisk in Malaysia, backed by after-sales repair and maintenance support.

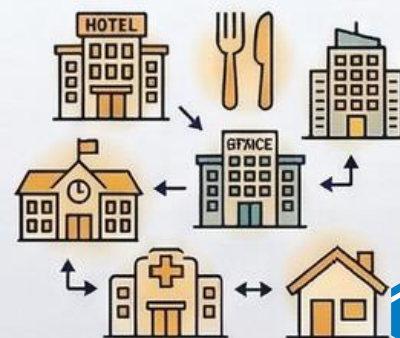

In-house chemical direction

Formulation development since 2007 strengthens WLT's ability to build relevant chemical ranges for practical, local market needs.

Application-led selling

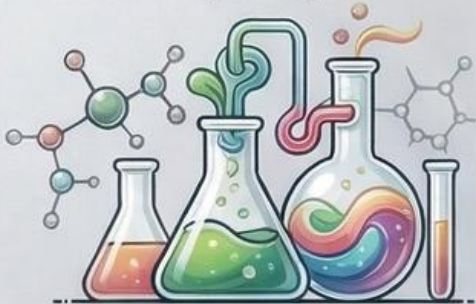

Its portfolio addresses real-world environments including hotels, food and beverage businesses, offices, schools, hospitals, restaurants and residential premises.

From cleaning chemistry to complete facility support

WLT Chemical

Representative in-house range built from WLT's own formulation capability.

Tana / Green Chemistry

Environmentally friendly chemistry, floor care, sanitary care and disinfection-focused solutions.

Housekeeping & Hotel Supply

Trolleys, janitorial support, garbage bags, bins, cleaning tools and operational accessories.

Tissue & Dispensers

From tissue consumables to washroom and towel dispensing systems.

Machinery

Professional cleaning equipment under Nilfisk, Viper, Densin, Jetmaster and accessories.

INDUSTRIAL & COMMERCIAL CLEANING SOLUTIONS

POWERFUL. EFFECTIVE. RELIABLE.
