

THE HIGH EFFICIENCY

Alex Portable Ultrasonic Cutter

KW-430C

- **Maximum Output Power: 30W**
- **Ultrasonic Frequency : 40KHz**

- Smooth and clean cutting
- Simple to use operation
- Compact size for easy transport
- High efficiency output power

Alex Corporation

◆ **HIGH EFFICIENCY ULTRASONIC CUTTER KW -430C**

- Powerful and low power consumption (40kHz, Max. Output 30W)
- Only needs to apply a light press and it can cut off smoothly and cleanly
- Special or customized mounting for semi and fully automatic process available

◆ **SPECIFICATION**

Model	KW-430C
Frequency	40kHz
Max Output	30W
Oscillator	Bolted P.Z.T Type
Input Power	AC100V (50/60Hz)
Equipment Size	(W)215×(D)255×(H)135mm
Equipment Weight	Approx.3kg
Hand Piece Size	φ26×200mm
Hand Piece Weight	Approx.100g
Cord Length	1.5m
Accessories	Foot switch, spare blades
