

FLUKE - 179 Handheld Digital Multimeter

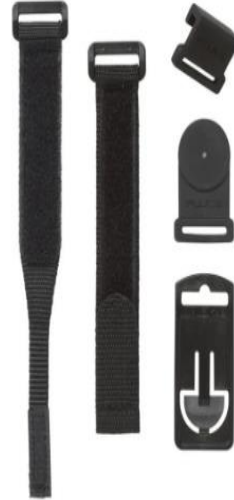

Brand: Fluke

Model: Fluke 179

Fluke ToolPak Offers

Take hands-free measurements with the Fluke TPAK ToolPak™ Magnetic Meter Hanger. The kit allows you to hang your meter in a variety of ways—including on nails, hooks and many other objects—solving any hanging and positioning problem you may face.

Please note that the TPAK doesn't clip into the Fluke T6 Series like it does for other Fluke meters. Instead, you must simply feed the Velcro loop through the slot on the back of the T6 and Velcro it together.

Features

- Powerful magnetic hanger allows you to hang your meter on any metallic surfaces
- 9 inch hook and loop strap allows you to loop around pipes
- Hook hanger for hanging on non-magnetic surfaces
- General purpose hanger allows you to hang your meter on nails, hooks and many other objects
- Compatible with many Fluke instruments
- One year warranty
