

**MODEL : 30.5505**  
**MOISTURE MEASURING INSTRUMENT**

for moisture measuring of wood and construction material,  
with LED traffic light display, indication of temperature,  
automatic switch off, backlight,  
protection cap included

measuring range, wood 6...48% (precision  $\pm 2\%$ )  
building material 0.1... 11% (precision  $\pm 0.4\%$ )  
temperature 0...+50°C (+32...+122°F)  
incl. batteries 3  $\times$  LR44

*56 x 27 x 98MM, 56G*
