

Multifunctional spray gun

The simple multi-functional spray gun with 3 spraying patterns: Shower, point and cone jet. Thanks to the lockable trigger, it is ideal for continuous watering of many different plants.

1 Ergonomic control valve

Regulation of the flow rate with one hand.

- 3 Three continuously adjustable spraying patterns: Shower, point and cone jet
- Ideal for watering (cone jet and shower) and cleaning (point jet).

2 Easy locking of the trigger handle

For convenient and continuous watering.

4 Self-emptying

Optimum protection against frost damage.
