

Multifunctional spray gun set Plus

Made for a variety of garden watering applications: the multifunctional spray gun includes tap adaptor and 2 connectors with grip (one with Aqua Stop).

1 Special membrane technology

- Ensures drip-proof use also during spraying pattern change and after water cutout.

3 Ergonomic control valve

- Regulation of the flow rate on the nozzle with just one hand.

2 Rotatable handle

- Individual operability with trigger handle pointed forward or backwards.

4 Easy locking of the trigger handle

- For convenient and continuous watering.

Multifunctional spray gun set Plus
