

Spray gun set

Immediately ready to start watering the garden: in addition to the spray gun, the spray gun set contains a tap adaptor and 2 universal connectors – one of them with Aqua Stop.

- 1 Ergonomic control valve
- Regulation of the flow rate with one hand.

- 3 Spraying pattern continuously definable from hard jet to cone jet
- Ideal for watering (cone jet) and cleaning (point jet).

- 2 Easy locking of the trigger handle
- For convenient and continuous watering.

- 4 Aqua Stop
- For securely detaching accessories from the hose without splashing.
