Expert blades for effortless cutting

The optimized Bosch circular saw blades ensure effortless cutting and best in class performance.

Thanks to close cooperation with our users, we know that ease of cut and blade longevity are a must for the professional woodworker – whatever the specialty. The Expert for Wood range from Bosch combines state-of-the-art manufacturing, specially selected materials and optimized design to deliver top results in effortless cutting and lifetime. But this isn't all – users will also notice reduced vibration, extremely smooth cuts and less noise.

Triple sharp teeth

- Smooth cut and excellent finish

Thin kerf

- Fast cut and less waste

Micrograin carbide

- Stays sharp longer

Well balanced steel body

- Low vibration and wobbling

Optimized tooth geometry

- Smooth, clean cutting and long life

Expansion slots

- Ensure blade stability and deforming
