FROM POWERFUL TO GENTLE, KÄRCHER HOME CLEANING SOLUTION

The Kärcher product range for your home.

HOME & GARDEN

PRESSURE WASHER FULL CONTROL

OUR TIP

OUTSTANDING CLEANING PERFORMANCE

- Whatever you need to clean: with the Kärcher Full Control pressure washers, you can always find the right setting for your cleaning task. Kärcher pressure washers offer 50 times more pressure and 80% less water consumption compared to the normal garden hose. The Full Control range allows you to adjust the pressure even faster and more precisely to the object being cleaned. And, on the clear LCD display* fitted to the trigger gun, you can keep a check on the right pressure setting throughout the cleaning work. ◀

PRESSURE WASHER FULL CONTROL - REFER TO K5 & K4 PREMIUM FC

Adjustable pressure

With Kärcher variable power nozzle, you could adjust the pressure anytime for different application.

Plug 'n' Clean*

Quick, easy and convenient application of detergents with the pressure washer. Kärcher detergents increase efficiency and help protect and care for the surface being cleaned.

SUPERIOR PERFORMANCE

WATER-COOLED MOTOR

Superior performance

Innovative water-cooled induction motor provides long term durability, outstanding performance, and it operates quieter than the universal motor.

Full Control Gun

On the clear LCD display fitted to the trigger gun, you can keep a check on the right pressure setting throughout the cleaning work at a glance.

Accessories Holder

Trigger gun and spray lances can be stored conveniently and neatly.

Telescopic Handle

Device can be moved around at a comfortable pulling height and stored compactly.

Plug "n" Clean

Change detergent in one easy motion and check the filling level at a glance.

Hose Reel

With a practical reel, the high-pressure hose can always be stored neatly.

PRESSURE WASHER

OUR TIP

PRESSURE WASHER MAKES CLEANING EASY

- Kärcher pressure cleaners offer the perfect solution for every cleaning task. Where previously dirt reigned supreme, afterwards there is nothing but cleanliness. With Kärcher, you upgrade your home environment and restore value to your possessions: from old to new, from shabby to chic. Passionate engineering, the highest standards of quality and decades of experience in developing innovative pressure washers make this possible. With the wide range of accessories and detergents, it opens up unlimited application possibilities for the high pressure cleaning. ◀

PRESSURE WASHER

Extra power

Concentrated spray rotating at high speed, provides extra cleaning power. This is especially effective on stubborn dirt.

Adjustable pressure

With Kärcher variable power nozzle, you could adjust the pressure anytime for different application.

Clean more effectively

Various surfaces can be cleaned effectively yet gently with the Kärcher wash brush.

Power Cable Holder

With a practical cable holder, high-pressure cable can always be store neatly.

Accessories Holder

Device can be stored conveniently. Trigger gun is easily ecessible.

Detergent Tank

The practical detergent tank simplifies the application of detergent.
