CUSTOM-MADE SERIES

CEILING & LOUVERS

SPACE CUSTOM-MADE CEILING & LOUVERS

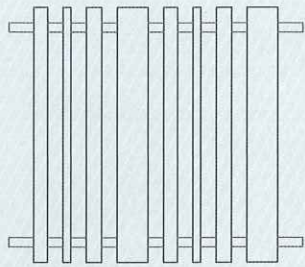

Space Products Sdn. Bhd. also promotes its custom designed ceiling & louvers for Designers who demand an extra aesthetic edge in their facades.

These bespoke pieces support the company's green credentials in minimising lengthy & wasteful prototyping & avoiding expensive retooling of operations.

These pieces enable the more adventurous Designers additional creative freedom in flexibility of design whilst minimising wastage normally associated with custom pieces.
