Dear Valued Customers,								
We have decided to discontinue stocking USB flash drives. This decision was made in order to streamline our product inventory and focus on items that better align with our long-term goals.								
As our current stock of USB flash drives depletes, all future orders for these items will be based on an indent basis. This means that we will fulfill orders for USB flash drives only upon request and with sufficient lead time for procurement and production.								
If you have any questions or would like to place an order for USB flash drives on an indent basis, please don't hesitate to contact us. We appreciate your understanding and continued support. Thank you!
