GREENWIPES® CARECLOTH™ -Multi-Purpose Medical Wipes

Greenwipes® Carecloth is a multi-purpose wipes specially made for healthcare professionals. These wipes are super strong like cloth and highly absorbent; suitable for wiping all kinds of liquid or contaminants. It is ideal for wiping medical equipment and disinfecting surfaces (if use with chemicals).

Greenwipes® Carecloth is tested non-toxic and bacteria free by independent labs. The wipes can also be autoclaved. With its ultra soft texture, it is the primary choice for patient's skin wiping in healthcare industries. It is the best for patient's body sponging, bathing and drying.
