CEILING FANS COLLECTION

PREMIUM COLLECTION | BIG ASS FAN

HAIKU H ALUMINIUM

60" / 84" *OUTDOOR FAN*
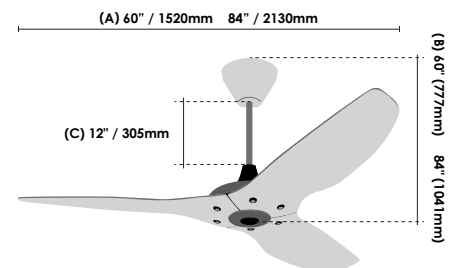

Most Efficient 2023
ENERGY STAR
www.energystar.gov

The H Series ceiling fan from Haiku represents our foremost achievement in design, craftsmanship and technological capability. Built from premium materials like aircraft-grade aluminium and sustainable Moso bamboo, H Series offers an exceptional number of customizable options. Onboard SenseME™ Technology allows for automated fan operation, tailoring it to fit your unique comfort needs and minimizing energy use year-round. H Series holds top rankings from ENERGY STAR and is capable of connecting with other smart technologies to significantly reduce the workload of heating and cooling systems.
