

Model number	MP-IP1P20-K4
Camera	
Image Sensor	1/3.6" CMOS Image Sensor
Aperture	Fixed
View Angle	Horizontal 71 / Vertical 53
Lens	f=3.6mm, F=2.1
Sensitivity	2.1V/lux-sec
Day&Night	Infrared dual filter switching
IR Leds	9PCS IR Leds
Image	
Max. Image Resolution	1920*1080
Video Compression	Support H.264 Main Profile & H.264 Baseline
Video Bit Rate	Day/night: 15 frames / Sec
Audio	
Audio I/O	2 Way Audio

Audio Compression	AAC/G.711
-------------------	-----------

Network

Frequency Range	2.4GHz ~ 2.4835 GHz
-----------------	---------------------

WIFI	802.11b/g/n
------	-------------

Interface

Power Supply	Micro USB
--------------	-----------

Storage	Max support 128G SD card
---------	--------------------------

Indicator Light	1 bi-color LED
-----------------	----------------

horn	8Ω 1W
------	-------

Reset	One-button reset
-------	------------------

General

Working Temperature	-10℃~50℃
---------------------	----------

Storage Temperature	-40℃~75℃
---------------------	----------

Working Humidity	10~95%(Non-condensing)
------------------	------------------------

Power Supply	DC5V , <2A
--------------	------------

Power Consumption	<5W
-------------------	-----

Cover color	White
-------------	-------
