| 5. Refrigerator                    | 12. Iron                       |
| 6. -                               | 13. Hair Dryer                 |
| 7. Wifi Modem and Router           | 14. Etc...                     |

### IMPORTANT NOTICE

If you notice the Aircond is not functioning it could be the circuit breaker has tripped off. Please look for the electric circuit box and push up the button that has dropped down. Then try switching on the Aircond again.

  Electric circuit box is located somewhere above basin/fridge / main door entrance.  

### Garbage room

-  Silverscape Tower A - located on the RIGHT side of the elevator. Look for utility room
-  Silverscape Tower B - located on the LEFT side of the elevator. Look for utility room
-  For Atlantis Residences, the utility room is located outside of the hallway (small iron door).

*Friendly reminders to all lovely Guest:*

*For the cleanliness of the property, please make sure the garbage bag is tied properly to prevent any leakage. Only dump the garbage's in the garbage room. No leaving it outside of the door/hallway. Foul smell can attract unwanted pest and insects. Please be responsible and considerate to others*

**Upon checking out, please follow the instructions stated on the manual and bring all your belongings. We are not responsible for the lost items or any compensation. Thank you.**

Any question please reach me at  +6016-6996688  
[\(Please take care of the property as it was yours! Thanks\)](#)
