Content

As one of the largest manufacturers of face masks and melt-blown fabrics (middle filtration layer of mask) in Malaysia, Durio PPE Sdn Bhd intends to make Malaysia self-sufficient for mask consumption as well as provide the best quality of masks at reasonable prices.

Taking production protection, comfort, breathability, skin-friendly and aesthetic design of masks as the primary consideration, our team has managed to create masks with the highest protection level (ASTM F2100 Level 3 & EN14683 Type IIR) for our wearers.

OEM Service

An original equipment manufacturer (OEM) is a company that manufactures and sells parts as well as equipment that are sold by another company. Any company interested in customising their own brand of face masks can use Durio's OEM service.

Durio is also open to Brand x Brand collaborations that assist both companies in expansion whilst creating something unique to accomplish a win-win strategy with long-term value.
