

ADC12 die-cast aluminium housing with 30-40W available
 IP 65 + IK08 protection with type I/II/III/IV/V available
 Post and hang install 2 install method available
 RAL7040 housing colour, custom-made housing colour available
 3000-6000K available. 10/20KV surge protector available
 Smart accessory like photocell, dali, 0-10V, PWM available

PROJECT REFERENCE

LUMINAIRE SPECIFICATIONS

- Product Code K12111
- Input Voltage AC100-240V/DC24V
- Rated Power 30-90W
- Light Efficiency 90-120lm/w
- Class Class I
- LED Driver MW/Inventronics/Sosen
- Lamp working temp -35°C ~ +50°C
- LED Chip Osram/Philips
- Color Temp 3000K-6000K
- Lumen Flux 2765lm-10377lm
- Life Span 50000H
- CRI 70/80/90 Optional
- Housing Material ADC12 Die-Cast Aluminium
- Housing Color RAL7040 (Standard)
- IP Protection IP65
- IK Protection IK08
- LED Chip Quantity 48/72/108pcs
- Carton Dimension 490x520x580
- NW 8.5-8.9 kg
- GW 9.5-9.9 kg
