

AREX LED DOWNLIGHT 8W – DLA78-8

Products Information:

Arex LED Downlight with compact and integrated LED light Source technology. With easy installation, it also offer high quality of heat resistant and high energy-saving. Arex LED downlight offer good lighting distribution and durable use. This Efficiency fixture offer about 30,000 hours of service life which significantly reduce frequent maintenance and expense.

Products Features:

- Specified performance from 220V-240V
- Power Consumption: 8W
- Dimension: $\varnothing 78\text{mm} \times 52\text{mm}$
- Average weight: 72g

Application Area:

- Indoor lighting
