

# Imitos ECO Series Downlight

|            |                                       |
|------------|---------------------------------------|
| Model      | LED-S-433-12W                         |
| Power      | 12W                                   |
| Lumen      | 850-900lm                             |
| CCT        | 3000K, 4000K, 6000K                   |
| Beam       | 120°                                  |
| Cut-Out    | 108 x 108mm                           |
| Size       | Diameter =142 x 142mm / Height = 32mm |
| CRI        | 80Ra                                  |
| Chipset    | SMD                                   |
| Input      | 220-240V 50/60Hz 0.1A                 |
| P.Factor   | >0.5Pf                                |
| Material   | Metal Casing                          |
| Lifetime   | 5000Hours                             |
| Protection | IP20                                  |
