

# BELEGANT

## BRIGHT MAKER

### LED PLC TUBE

FROSTED

The LED PLC tube bulb not only delivers significant energy-saving advantages but also minimize power consumption without reducing brightness. The frosted PLC tube is compatible with electronic ballasts and is great for 24 hour general lighting in hospitality or retail industries.

### features

- ⇒ 270° rotation, can replace the traditional pug-in fluorescent tube
- ⇒ High thermal conductivity of aluminum casing, long life
- ⇒ IC constant current power supply, wide voltage range
- ⇒ PC cover design for safety, dust prevention and aesthetics
- ⇒ High quality LED chips for bright and uniform light

### standard specification

#### Colour Temp

available in  
 warmwhite (3000K)  
 coolwhite (4000K)  
 daylight (6500K)

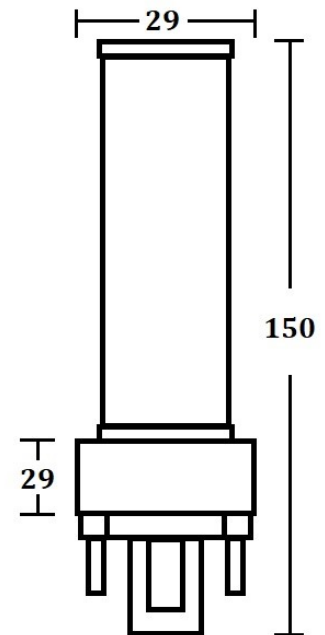

#### Long Lifetime

25,000 hours

#### Applications
