

LED Explosion-proof Lighting

LED Floodlight/LED Canopy Light/LED Street Light
80W / 100W / 120W / 160W / 200W / 240W

Features

- Three types of using, LED floodlight, LED canopy light and LED street light.
- OSRAM LED source, high lumen output over 140lm/W.
- Modular design, available in 80W to 240W.
- Extruded copper-free aluminum, high intensity, can endure 20J impact.
- Shock and vibration resistant.
- Own design and produced LED drivers are provide reliable operation in harsh environments.
- Capable to work on extreme high and low temperature -45°C~+60°C, keep good performance.
- IP66 and high corrosion resistance, can be used in ocean environment.
- Lightning protection 6KV, THD≤10%.
- Various installation methods.

Applications

- II 3 G Ex nR IIC T4 Gc, for Zone 2;
II 3 D Ex tb IIC T110°C Db IP66, for Zone 22.
Especially can be used in hydrogen existing environment.
- Ideal for petroleum, refineries, onshore and offshore rigs, pumping station, petrochemical plants, gas station and external field road lighting, etc.
