TITAN LED UFO HIGHBAY

**All pictures shown are for illustration purpose only*

With the development of high bay light technology, UFO LED high bay lights have become the best choice for many large-scale industrial or commercial lighting such as high-end retail, manufacturing, sterile environments, offices, warehouses, sports complexes, storage facilities, commercial spaces, and a variety of other outdoor and indoor lighting applications.

Perkunas TITAN features a black die-cast aluminium housing. Dark powder coat corrosion resistant finish provides long hours salt fog rating. Corrosion resistant external hardware standard.
