

Power Up Neat Cutting Fluid

Product Description:

Power Up Neat MH Cutting Oil is a multi-purpose neat cutting oil blended with an additive that provides a synergistic combination between chlorinated, sulfurized EP and esters. It is suitable for medium to heavy duty tapping and deep drilling processes. Formulated with highly refined mineral base stock, the combination of EP and lubricity additives provide a stable lubricating film required between the tool and metal surface.

Applications / Benefits:

1. Prolong life of usage
2. For better cutting accuracy
3. Suitable for all kinds of metal works
4. Precise work in sharp edges metal cutting

Typical Characteristics:

TEST DESCRIPTION	METHOD	TYPICAL RESULTS
Specific Gravity @ 15 °C	ASTM D 4052	0.86
Flash Point, °C	ASTM D 92	>200
Kinematic Viscosity @40°C	ASTM D 445	25
Color	ASTM D 1500	2.5
Copper Corrosion, 3h /100°C	ASTM D 130	1b
