Voltage Adjust Button

- Simple Solution For CCTV Power Supply
- 4 Channels 5Amp Distribution System
- Adjustable Output Voltage For Long Distance Transition, DC 12V To DC 15V
- World Wide Voltage Input, AC 100V To AC 240V
- LED Indicator

Specification: PWR-PDC12V5A-4C

Input Voltage Range	AC100-240V
Input Frequency Range	50Hz/60Hz
Output Voltage Range	DC12-15V
Total Output Current	5 Ampere
Total Output Power	60 watt
Output Per Channel	1-4 : 12-15V@1-1.25A MAX : 15W
Output Ripple & Noise	<=60MV
Output Efficiency	>=88%
Product Dimension	163*53*38mm
Product Weight	245g
