P-727 SAE 30 SC/CC ENGINE OIL	Effective Date: 26.5.2020

Description:

SAE 30 SC/CC is a premium mineral, non-friction modified engine oil formulated with modern additives for use in small engines. It provides complete protection against wear & corrosion and is designed to meet the lubrication needs of small engines.

Applications

SAE 30 SC/CC is suitable for use in small engines in generator sets and pumps, four stroke outboards / inboards, brushcutters and in other gardening equipment. It is also suitable for use in some 4 stroke motorcycles. SAE 30 SC/CC may also be used where in manual gearboxes where the manufacturer specifies a SAE 30 engine oil.

Products Benefits

- Excellent engine cleanliness
- Ultimate wear protection
- Protect against rust and corrosion

Typical Data

- Appearance : Pale Brown Liquid
- Kinematic Viscosity : 0.85 - 0.87 @ 28.9°C
- Specific Gravity : 127 - 175 mm²/s @ 40°C

Note

All recommendations for use of our products, whether given by us in writing, orally, or to be implied from the results of tests carried out by us, are based on the current state of our knowledge at the time such recommendations are made. As additional information is learned, these recommendations may be updated. They may also be impacted by circumstances outside our control. Notwithstanding any such recommendations, the user shall remain responsible for satisfying himself that the product as supplied by us are suitable or his intended process or purpose. Since we cannot control the application, use or processing of the products, we cannot responsibility therefore. The user shall ensure that the intended use of the products will not infringe any third party's intellectual property rights.
