P-743 SAE 50 CD/SF

Effective Date: 3-1-2024

PRODUCT DESCRIPTION

SAE 50 CD/SF is a high performance engine oil formulated with premium base oil enhanced with selective additive package designed to meet the requirements of both gasoline and diesel engines.

FEATURES AND BENEFITS

- Excellence between gasoline and diesel engines requirements.
- Efficient in detergency and dispersancy to provide good protection to engines.

APPLICATION

- Heavy duty on-highway diesel engines.
- Off-highway industries including agriculture, construction, forestry vehicles or machinery.
- Economic vehicles with gasoline engines where SAE 50 CD/SF is recommended.

PHYSICAL PROPERTIES

Property	
SAE Grade	50
Specific Gravity @ 28.9°C	0.88
Viscosity @ 40°C, cst. ASTM D445	199
Viscosity @ 100°C, cst. ASTM D445	17.7
Viscosity Index, ASTM D2270	96

These data are given as an indication of typical values and not as exact specifications.

STORAGE

- Store in a dry and cool area (below 40°C).
- Keep away from direct sunlight.
- Keep away from food and children.

AVAILABLE PACKAGES

4Ltr, 18Ltr, 200Ltr

Note

All recommendations for use of our products, whether given by us in writing, orally, or to be implied from the results of tests carried out by us, are based on the current state of our knowledge at the time such recommendations are made. As additional information is learned, these recommendations may be updated. They may also be impacted by circumstances outside our control. Notwithstanding any such recommendations, the user shall remain responsible for satisfying himself that the product as supplied by us are suitable or his intended process or purpose. Since we cannot control the application, use or processing of the products, we cannot responsibility therefore. The user shall ensure that the intended use of the products will not infringe any third party's intellectual property right.
