STEP-UP

Low Level Access Platform

Instant Step-Up is a light weight, compact, heavy duty work platform which offers the operator a safe and stable working platform.

Available with 1m or 1.5m platform height, these work platforms provide a fast, single and cost effective solution for low level access for all types of contractive roofing, shop-fitting, electrical heating and ventilation, sign-writing, painting and more.

The Instant Step-Up products are compliant with the Work at Height Directive and are PAS2239 compliant for access to 3.5m.
