The Mahattan Living Philosophy

MANHATTAN
Living

Manhattan Living is a revolutionary furniture brand that seeks to bring your dream home to life. Having been a leading name in the industry for a while, Manhattan Living brings functional, practical, comfortable, modern, and beautiful designs that can transform your home into the oasis of your dreams. The flagship store is located at Skudai Bizhub, Johor Bahru.

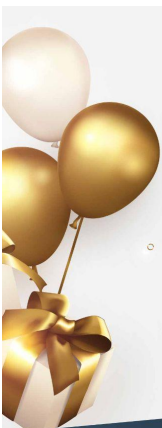

Come and visit the Manhattan Living Showroom for yourselves – you are in for a treat! The spacious showroom not only encompasses well thought-out layouts for your convenience, it also displays every furniture choice you could want. This ensures you get to fully immerse in the design process of your home and allows you to consider every option.

The 2-storey showroom begins with the wide range of mattresses on the ground floor. The amount of mattress brands will have you spoiled for choice. All series from the brands Dunlopillo,

Vono, Mysleep, Honey, Napure and Goodnight are here under one roof. Test out the firmness, contour and specifications to find the ones that works best for you and your loved ones.

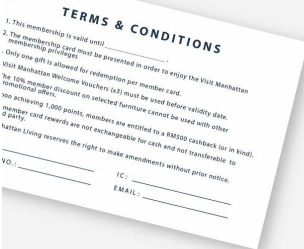

The upper level of the showroom is where all the magic happens. Every piece of furniture you could ever need is here. From bedroom sets to dining sets, practical shelves and cabinets to stylish coffee tables, you'll be able to put together a whole look for your entire home by just selecting the pieces that work well together. What's even better is that the furniture here are all customizable to suit your theme, colour and comfort level.

Manhattan Living will be your ultimate guide to a world of your very own creation. Our friendly and knowledgeable staff will welcome you and be the best tour guide to getting simple and unique pieces for your home!

LOREM IPSUM

“Love their showroom!”

Love their showroom, they provide a wide range of furniture choices here. The sofa is nice, simple in design and comfy. I'm able to enjoy 10 years warranty on their signature sofa series. Their staffs are friendly and recommended the furniture depending on my needs. Good service and attitude.

~Mr. Raymond Koh

“Will definitely come back again!”

Thank you Manhattan Living for the furniture. The showroom is displayed with nicely designed furniture and affordable price. The furniture comes in good condition and quality, will definitely come back again if I have any furniture needs in future!

~Ms. Aisha

“Very satisfied and highly recommend!”

Had a very good shopping experience here, they will provide professional advice which truly cares about my needs and I'm able to customize the sofa according to my home's space. I'm very satisfied and highly recommend it!

Hattan Series

BY MANHATTAN LIVING

The Hattan Series is latest collection from Manhattan Living that will surely captivate you. A collection of signature sofas designed to not only bring style to your home décor, but to also simplify your daily life. This collection also adds that touch of practicality that will suit the bachelor or family life.

Using a patented fabric technology from Belgium, the Hattan Series collection of sofas are dust-proof, stain- and scratch resistant – proving that comfort and aesthetics can indeed coexist. So, live life without fear of your toddler spilling ketchup on the sofa, or your fur babies scratching your sofa. That beautiful fabric colour will also stand the test of time and last through years of wear and tear. The high-tech fabric is equipped with a protective barrier that helps the sofas to be self-maintained. In fact, we are so confident with the collection that it comes with a 10-year warranty!

Along with various designs of the sofa, you will also love the fact that you can customize the colour and size of the upholstery according to your heart's desire. Each design is meticulously measured to give you ergonomically designed comfort and posture support. Come down to the showroom, feast your eyes and senses, and bring home a Hattan Series sofa now!
