As the pioneer manufacturer of playground equipment, Park World Recreation is proficient in the selection and management of its resources. It has played a significant role in the nation's economic growth by transforming the import-oriented playground industry through the development of new products for the export market. Its employees demonstrate their dedication, knowledge, creativity and above all, their interest in nurturing and developing youths making every playground project truly worthwhile.

### OUR MISSION

We strive to build long-term relationships with our customers at an international level by providing products of the highest quality with efficient customer support and post-sales services. We seek to excel in every aspect of our operations and to continually improve our products to meet international standards.

### OUR QUALIFICATIONS AND ACHIEVEMENTS

We are grateful and honoured that our continuous efforts and contributions towards the industry have been recognized by our government and presented with:

ISO 9001 : 2008

SIRIM MS 966

WARRANTY CERTIFICATE

TUV PRODUCT SERVE CERTIFICATE

Note: TUV Product Service, an international testing and certification organization is a European Union Notified and Competent Body providing services which include product testing and certification. TUV EN1176 is one of the most comprehensive safety and quality standard in the world. The terms "safety tested", "EN1176" and "production monitored" indicate that these products have passed a comprehensive testing procedure based upon the European Harmonized Standard for Commercial Playground Equipment, EN1176, and that the Park World Recreation Sdn. Bhd. manufacturing plant is regularly monitored by TUV.
