Rub for testing

### Main Technical Parameters:

- ★ Selectable Speed: 0-75 rpm/min ( stepless speed control )
- ★ Stroke Length ( mm ) : BGD 524: 10 ~ 50mm  
BGD 525: 0 ~ 75mm
- ★ Weight:  
BGD 524: Two sets , each set includes 25g,50g,100g,200g, 500g  
BGD 525: Two sets , each set includes 10g,20g,50g,100g,200g,300g,500g
- ★ Calculation range: 1-9999 times
- ★ Overall dimensions: 500 × 350 × 550mm ( L × W × H )
- ★ Weight of whole machine: 25KG
- ★ Ordering Information:  
BGD 524: Linear Rubbing and Alcohol Abraser  
( with adding alcohol device )  
BGD 525: Linear Rubbing and Alcohol Abraser  
( with big working table and all mad
