ENHANCE

Open Your Eyes to Radiance

HYDRATING EYE ESSENCE

As a staple product in your routine, this lightweight yet ultra-hydrating formula features a combination of powerful peptides, avocado oil, apricot fruit extract, and ginkgo biloba extract to visibly lessen the appearance of dark circles, puffiness, and fine lines. Developed with a high concentration of active ingredients, it works to revitalise the look of the delicate skin around your eyes. **Featured Science:** The Celavive® Complex, featuring **InCelligence®** technology, is made up of two bioactive peptides and two botanical extracts. This hydrating nutrient combination responds uniquely to each individual, working to help visibly counteract chronological and lifestyle stress ageing like fine lines and wrinkles by introducing key nutrients onto the skin for dramatically younger-looking skin.
