

SUPER ULTRA MEMBRANE FILTER (SUS 304)

**Filtration
Efficiency**
0.01 micron

Flowrate
2500 lit / hr

Dimension
110mm (Dia.)
x 915mm (L)

**SUS
304**
STAINLESS
STEEL
CASING

Filtration 0.01 micron

Advanced filtration technology to 0.01 micron. Filter your whole house's water to a super clean and clear condition !

Removal of Bacteria & Viruses

Removes all sediment & impurities even bacteria & viruses
