

AMANO[®]

ELECTRONIC TIME RECORDER
BX6000 series

BX6000 series

Reliable, Efficient, Operation

Large and easy to read dial with quartz clock time base assures accurate time keeping, and is suitable as a standard clock anywhere in the world.

Full power reserve feature allows you to print in case of power failure.

Automatic card feed is a standard feature.

Perpetual calendar and daylight saving time features.

High-quality dot matrix printer prints cleanly and clearly.

- LED displays month, date and day of the week.
- DAILY ATTENDANCE COUNT.

The ATTENDANCE COUNT function allows you to check, at a glance of the LED display, the number of employees to clock-in each day.

TOTAL DEDUCTIONS 93.00
BALANCE DUE \$ 478.00

- 6 column and Two color printing

- Large, easy-to-read analog clock face with quartz time base.

Specifications

- Printing : Dot matrix printing
- Power supply : AC100/120/220/240V 50/60Hz
- Power Consumption : Normal 2W, Max 10W (for 100V models)
- Temperature : -10°C~45°C(14°F~113°F)
- Humidity : 10%~90%RH (Non Condensing)
- Dimensions : 222(W)×162(D)×236(H)mm
- Weight : 3.2kg
- Color : White / Gray
