RAYACO®

• TOGETHER, WE CLEAN BETTER •

**HARDLINE AND
HOUSEHOLD PLASTIC
PRODUCTS**

ABOUT US

Established in 1987, **RAYACO®** has become one of the leading household brand name in Malaysia. In addition, we also have VIP, VIP MEDPRO and RAYACO PRO brands. As a pioneer in the broom and brush, and household product supply industry in the country, we have come through changes and challenges, from the technology and exposure we acquired over the past three decades, to successfully establish ourselves as one of the leading names in the household products industry providing full range of cleaning products for household and industry needs under various brands name. Our range of products includes broom, brush, mop scouring pad with sponge, scouring pad, household sponge, household plastic product etc.

To pursue continuous advancement, at the year 2002, we expanded and moved into a modern factory in Rawang Integrated Park with total build up area of 210,000 square feet and equipped with new facilities and equipment to meet the increasing market demand as well as further strengthen our position in the household supplies industry. In 2016, to meet the increasing demand of the market for the foreseeable future, we acquired 2 pieces of land and factory, which almost double up our total build up area to 400,000 square feet. In addition, our newly build warehouse expected to be ready at the end of year 2019, this expanded production and warehousing capability will aid our growth strongly and organically at least for the next 5 years.

We believe in a clean and healthy environment for household as well as industrial premises, therefore, **RAYACO®** brand and our other brand of cleaning products ensures value for money purchase as well as comfort usage. Thus we come up with our own motto:

"TOGETHER, WE CLEAN BETTER"

To continue our excellent in cleaning industry and to tap and expand our expertise in plastic and metal technology, we are transforming ourselves into providing a full range of household product supplier.

We are committed to produce excellent quality, user friendly and reliable household products. Our innovation on product design and continuous improvement on product quality has guaranteed many satisfactions of our customers.

We are one of the few manufacturers who can supply full range of above products to our distributors as well as retailers which carry our own brand name. We also provide OEM services as well which include some worldwide brand name.

We believe that through our innovation in product design and continuous improvement of product quality, we have ensured a lot of customer satisfaction. Currently, we are supplying to 18 countries worldwide, include Middel east, Southeast Asia, Africa, East Asia, as well as Northern America.

We sincerely hope that we can be your partners and be part of your supply chain provider. Do send us enquiry and we will try our best to fulfil your needs. As our motto speaks:

"TOGETHER, WE CLEAN BETTER" And we believe together, we will be better!

Looking forward your journey with us in the near term.

CAUTION: Please be careful when handle the mou
Dont touch the bait adjuster when the trap is engag

How to use :

Turn the lower bait adjuster counterclockwise and pull it out to view.

Put the bait (ham, peanut, bread, etc.), then put it back.

Push down on the back of the mouse trap press until it engages with the bottom.

Place it in a place where rats often lay eggs in holes, corners, sides of doors, etc. The distance between the placement position must be 1cm away.
