COMPANY BACKGROUND

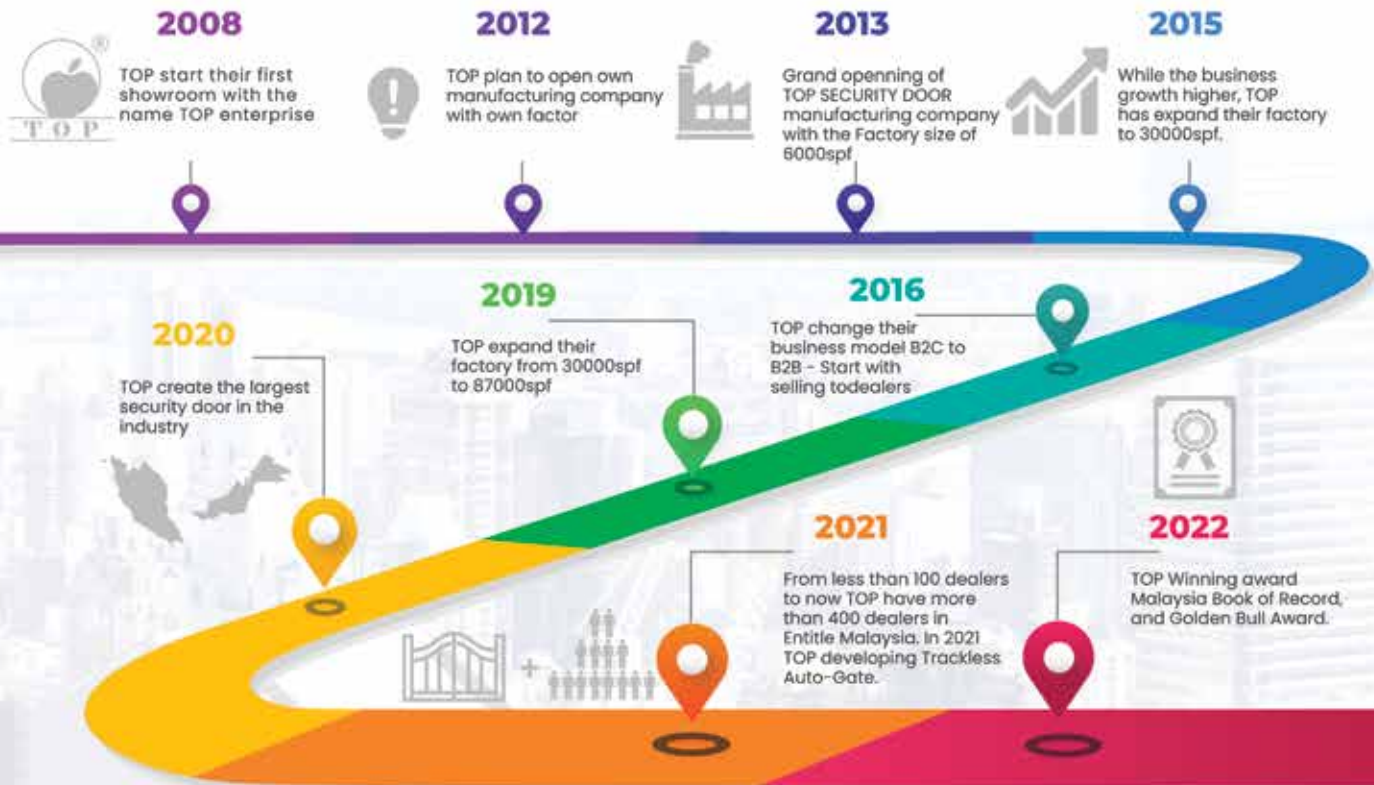

TOP SECURITY DOOR

TOP Security Door Sdn. Bhd has operated more than 10 years, since year 2008. In building of Top Security Door (TOP[®]), we established as a manufacturer and distributor to provide our customer with high-quality safeguard as fairly competitive price. Being a leading brand of security door in Malaysia, TOP has own more than 400 authorized dealers in entitle Malaysia. TOP has 5 varieties of the security door that allows our customer to pick from. There are the Deluxe Series, Premium Series, Full Stainless Steel Series, Room Door and Economic Series. Those products are not built exterior design but for the security purpose of the house.

As Top Security Door, we have our commitments to our customers to improve their residential or commercial safety with our security door. We are proud to have been awarded ISO 9001:2015 certified company, we follow the requirements, specifications, guidelines and characteristics set forth to ensure that we are consistently producing materials, products, processes and services that meet world class standards. We combine sophisticated engineering technical production with attractive design to offer our own customer the ultimate in security, style and peace of mind.
