ICON

HIGH GLOSS FINISH

is a high gloss enamel finishing paint. It is formulated to provide fast drying with a good leveling property enamel finish for exterior & interior use

METAL & WOOD

For Exterior & Interior

Allow metal and woodworks around your home to shine bright like a diamond. Apply the lead and chrome free paint to your metal and woodwork surfaces and watch as they dance under the light.

SURFACE PREPARATION

WOOD

The woodwork must be dry and dirt free without any other contaminants. Sand the surface to smoothen it and dust off the excess before applying the paint.

METAL

Surface must be dry and be free from efflorescence, dirt, grease, rust and other contaminants before paint is applied

PREVIOUSLY PAINTED SURFACE

Surface must be cleaned thoroughly from dirt, grease, loose materials or flaking paint. Scrape off uneven paint material and sand down defective area. The now dry surface must be spot primed with a suitable undercoat primer before applying the new paint coat.
