Shipping Methods

1. Buyer is responsible for all shipping and handling charges unless stated otherwise.
2. In ALL cases, buyer bears for return shipping.
3. It is buyer's responsibility to request whether to insure the package or not.
4. We ship all our items in sturdy box and padded with foam if necessary.
5. All items will be shipped out with tracking number within 3 business days.
6. Shipping cost varies according to the weight, size and location of delivery.
7. Kindly contact us for shipping quotes and any questions regarding the shipment and delivery.
8. Buyer can request to use their preferred freight services.
9. Import duties and shipping cost are not included in the listing's price. Custom fees are usually paid prior to collecting the item. These charges are at buyer's responsibility. Please check with your country's customs office to determine what these costs will be prior to bidding or buying an item. We won't 'under-value' an item and declare it as 'gift' in the custom forms. It is against international law to do this.
10. If there is a delay or lost package, kindly contact us. We will gladly work with the buyer to file a claim in the event of loss or delay.
11. International buyers, please note that it usually takes different amount of business days to deliver an item including investigation for claims in the event of lost item.
