ART FIBREGLASS SDN BHD

Our company, ART FIBREGLASS SDN BHD was established on 1992. Our Headquarter is located in Simpang Renggam, Johor while our factory is located in Machap.

We are mainly focus on producing the home decoration to fulfil customer's needs and wants. The competitive advantages of our products are durable and price is affordable for all range level of customers.

Since establishment, ART FIBREGLASS SDN BHD is persistence to enhance the product quality and enrich with new innovation on products and services. Our mission is to maintain customer loyalty and confidence towards our company. We used to listen and observe customer's needs and wants to enhance the customer's satisfaction on our products and services.

The core value of the company is not only to serve customer, but also concern for our mother earth. In 2019, we have launched a new series of door to replace the wooden material doors which is more environmental protection and prevent the environment pollution.

Our company has the confidence to accept the unknown challenges in the future because we knew all the challenges are leading our company into a succeed pathway. As our director said, "Bring the ART into your life, to have a better future".
