

## Sol BAC 14

### Bactericide for water soluble coolants

#### Description

Matrix Sol BAC 14 is a broad spectrum bactericide useful for the protection of water soluble coolants against bacteria and other micro-organisms.

#### Benefits

- Longer life coolants in use
- Less corrosion risks
- Avoids bad odours
- Broad spectrum biocide
- Compatible with emulsions
- Suitable for soft and hard waters

#### Typical performance data

Appearance	Water soluble liquid
Colour	Yellowish
Nature	Acid

#### Mixing and use

Avoid contact of Matrix Sol BAC 14 pure with skin. In case of contact with eye or skin flush or rinse immediately with large volumes of water.

Add directly to the emulsion in the recommended proportion.

- For maintenance treatment, recommended dosage is 0,005 %.
- For intensive treatment, dosage is 0,02 %
