Perfect 10.

The exceptional versatile STARIA 10-seater will have you looking forward to the fun of the next road trip. The perfect choice for large families comes with loads of comforts and convenience features that magically shrink long distances and make time fly by.

8" touchscreen display with wireless Apple CarPlay and Android Auto™

10.25" Supervision Cluster***

Wireless smartphone charging system*

Full-auto air conditioning system*

8 USB outlets available

*Only available on the Max variant. ***Only available on Plus and Max variants.

Everyday is liberation day.

STARIA's smart features are truly liberating—they give you the freedom to focus on more important things. With the smart key, STARIA's sliding doors open and close automatically***. There's an abundance of storage space, and nice-to-have convenience features like the AVNT (Audio Video Navigation Telematics) that serves as a surround-view monitor*** while parking or as a rear-view monitor to let you keep an eye on traffic behind you.

Full flat seats

Folding the backrests of the 2nd-, 3rd-, and 4th-rows into the flat position increases the load space to 2,468mm or you can carry oversized items, extra luggage, or enjoy overnight camping if you like.

Smart power sliding door***

Upon sensing the presence of the proximity key, the smart door automatically slides itself open after a pre-set interval—a very convenient feature when your hands are full.

Smart power tailgate* (with auto-close function)

With the smart key and new proximity sensor, tailgate operation is truly smart and hands-free: it opens and closes automatically without requiring any drive input whatsoever.

10 - Seater

The STARIA 10-seater offers limitless possibilities and is perfect for both short and long excursions. There's ample legroom, shoulder room, and headroom, plus multiple USB charging ports on board to keep everyone happy during the trip.

*Only available on the Max variant. ***Only available on Plus and Max variants.

A surprising performance.

STARIA's new and highly efficient diesel engine, mated to a 8-speed shift-by-wire^ automatic transmissions unleash powerful performance and a rush of endorphins. Coupled with the front MacPherson struts and rear multi-link suspension setup, the STARIA promises a class-leading smooth and comfortable ride.

2.2 CRDi Diesel

177 Maximum power
PS/3,800rpm

431 Maximum torque
Nm/1,500-2,500rpm

Leather wrapped gear knob

Drive Mode Select with 4 drive modes
(Smart, Normal, Eco and Sport)

Superb safety.

Imagine a vehicle that cares for your passengers safety as much as you do. At Hyundai, we believe that safety should never be an optional extra. That's why we created Hyundai SmartSense™ – our standard advanced system of interconnected cameras, radars, alerts, alarms and ultrasonic sensors that know what's behind you, what's beside you, and can get your STARIA to react to what's in front of you.

Surround View Monitor (SVM)***

Rear Occupant Alert (ROA)

***Only available on Plus and Max variants.

Hyundai SmartSense™

Forward Collision-Avoidance Assist (FCA)*

If there's a danger of a collision with a car, pedestrian, or cyclist, FCA provides an early warning and, if necessary, it automatically brakes for you. It also detects oncoming vehicles at intersections to promote safer left turns.

Driver Attention Alert (DAW) with Leading Vehicle Departure Alert (LVDA)*

DAW monitors your driving patterns to detect driving. If detected, it alerts you with sound cue coupled with a warning message on the instrument cluster. During a stop, LVDA will alert you if the leading vehicle departs.

Blind-spot Collision Assist (BCA)*

When operating the turn signal switch to change lanes, if there is a risk of collision with a rear side vehicle, the system provides a warning. After the warning, if the risk of collision increases, the function automatically controls the vehicle to help avoid a collision. If exiting a parallel parking spot and there is a risk of collision with a rear side vehicle, the function automatically assists with emergency braking.

*Only available on the Max variant.

Safe Exit Assist (SEA)*

When the occupant opens the door to exit the vehicle after a stop, if an approaching vehicle from the rear side is detected, the function provides a warning. The function also helps keep the rear door closed through operation of the power sliding door.

Smart Cruise Control with Stop and Go (SCC w/ S&G)*

Smart Cruise Control helps maintain distance from the vehicle ahead and drive at a speed, set by the driver.

Lane Following Assist (LFA)*

A front camera tracks the lane markers and helps keep the vehicle safely centered within the lane.

Lane Keeping Assist (LKA)*

A front view camera detects lane markers and road edges helping prevent unintentional lane departures. When the vehicle strays from its lane (or road), the system sets off a visual and sound alarm and automatically steer the vehicle to prevent it from moving out of its lane (or road).

Rear Cross-Traffic Collision-Avoidance Assist (RCCA)*

RCCA warns of the approach of a vehicle across the rearward path when reversing and, if necessary, emergency braking is applied.

*Only available on the Max variant.
