

TECASAFE® PLUS
Multilite™ PPE2

The Lightest PPE2 FR Fabric with Truecolor™ Technology

Introducing a new lightweight FR solution that provides a Category 2 level of protection. Delivering inherent flame-resistance that offers excellent protection against thermal events, such as flash and electric arc. Featuring Coolderm™ Technology, which provides an excellent moisture management control that keeps the wearer cool and dry at all times.

Follow the laundry recommendation for industrial wash.
