\*Terms and conditions apply.

### Multi-Usage

Enjoy instant and ambient purified hot water up to 98°C for drinking, cooking, washing & sterilising.

### Space-Saving

Free up your kitchen space with an undersink command centre, designed for your modern homes.

### Energy-Saving

Save more on electricity with Eco Smart. Never worry about repeated boiling and overheating again.

### Low-Maintenance

Equipped with world-class filters so that you only require a yearly filter change.

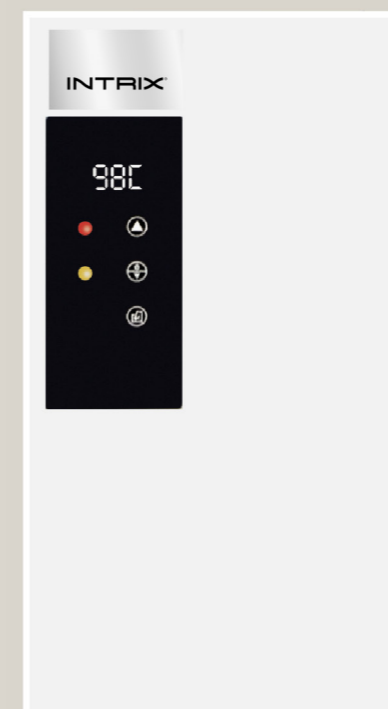

### Safe For The Whole Family

Our Heatproof Taps are highly-secured to prevent accidents, keeping your loved ones safe.

## Simplicity Meets Functionality

Say goodbye to bulky countertop boxes and say hello to the most advanced water purifier system in the market.

World's First & Only

INTRIX One Tap system has a **titanium inner core**

- ◆ Anti-corrosion
- ◆ Anti-hazard
- ◆ Anti-limescale

**World-Class All-In-One Water Purification System**

Every drop counts by effectively removing 99.99% microorganisms down to 0.01 micron (µm).

**Sediment Filter**

Effortlessly removes soil, rust, sediment and bigger particles.

**Activated Carbon Block**

Actively removes cysts, unpleasant odours, chlorine, chloramine, trihalomethane, VOCs and heavy metals.

**Nanofiltration Membrane**

Eliminates bacteria, algae, parasites and some viruses while preserving important natural minerals.

**Eco-Friendly**

INTRIX filters are designed to be 95% recyclable, reducing waste by more than 80%.
