

Edenair New Generation Portable Dehumidifier

Technical Features:

- Intelligent digital control
- Rigid metal casing
- 30% to 90% free humidity control
- Low temperature auto-defrost
- Big wheels and castors
- Compressor delayed start protection
- CFC free refrigerant
- Continuous hose drain

Model	ED138290P
Rated Capacity @ 30°C & 80%RH	138 Liter/Day
Voltage	230Vac/1Ph/50Hz
Available Temperature	5-38°C
Applicable Area	100-210 m ²
Rated Power	1,440W
Rated Current	6.8A
Refrigerant	R22a
Drainage	Hose
Speed Mode	Low/High
0-24hours Timer, Auto Defrost	Yes
Operation Panel	Electronic Button
Compressor 3min Delay Protection	Yes
Universal Castors & Moving Wheels	Yes
Net Weight	50 kg
Dimensions	500*380*910 mm
