

Master Air Hose 20 Bar

Application

Heavy duty air supply line. Ideal for good performance in workshop and hire industries.

Tube: Black color of EPDM blend compound. Oil resistance.

Cover: Colored cover of SBR blend compound. Oil mist, abrasion and weather resistance.

Reinforcement: High tensile synthetic yarn.

Temperature: -35°C to +80°C

Nominal inch	I.D (mm)	O.D (mm)	Pressure (bar)		Weight (Kg/m)	Length (m)
			Working	Burst		
1/4"	6.4	13.0	20	60	0.182	100
5/16"	7.9	15.0	20	60	0.233	100
3/8"	9.5	17.0	20	60	0.285	100
