

# ASHFLEX

## YELLOW AIR HOSE 30 BAR

The Yellow Air Hose is a durable, high - visibility hose designed for the transfer of compressed air in industrial, construction, and workshop environments.

### COMMON APPLICATION

The Yellow Air Hose is a durable, high - visibility hose designed for the transfer of compressed air in industrial, construction, and workshop environments.

### TYPICAL APPLICATIONS

- ✓ Air supply for pneumatic tools in construction and mining
- ✓ Air compressor connections in industrial plants
- ✓ Automotive workshop air lines
- ✓ Air delivery in shipyards and heavy engineering
- ✓ General - purpose air transfer in factories and warehouses

### KEY FEATURES

#### REINFORCEMENT

Multiple layers of high tensile synthetic cord

#### COVER

Yellow colour of EPDM blend compound

#### INNER TUBE

Black colour of SBR blend compound

#### WORKING PRESSURE

Constant Pressure  
30 Bar / 450PSI

#### TEMPERATURE RANGE

-20°C to +85°C

#### SAFETY FACTOR

3 : 1

### NOTE

Not suitable for breathing air applications. Always ensure the hose is rated for the system's working pressure and temperature range.

### SPECIFICATIONS
