

Coolant Hose 10 Bar

Application

Hose is designed for use in heater and radiator systems in heavy duty or high capacity vehicles and industrial equipment.

Tube: White color of EPDM compound.

Cover: Wrapped fiber glass. Heat resistant.

Reinforcement: Multiple layers of high tensile synthetic cord.

Temperature: -30°C to +120°C

Nominal inch	I.D (mm)	O.D (mm)	Pressure (bar)		Weight (Kg/m)	Length (m)
			Working	Burst		
1/2"	12.7	22.0	10	30	0.133	30
5/8"	16.0	26.5	10	30	0.214	30
3/4"	19.0	30.5	10	30	0.303	30
