

Cable Cooling Hose 10 Bar

Application

Softwall hose used as sleeves for cooling electrical cables in automatic welding systems

Tube: White color of EPDM compound.

Cover: Black color of Neoprene blend compound. Flame retardant, electrical resistance, abrasion and weather resistance.

Reinforcement: Multiple layer of high tensile synthetic cord and fiber glass cloth.

Temperature: -30°C to +120°C

Nominal inch	I.D (mm)	O.D (mm)	Pressure (bar)		Weight (Kg/m)	Length (m)
			Working	Burst		
1/2"	12.7	23.0	10	30	0.334	30
3/4"	19.0	32.0	10	30	0.636	30
1"	25.4	38.0	10	30	0.766	30
1-1/4"	31.8	45.0	10	30	0.980	30
1-1/2"	38.1	53.0	10	30	1.300	30
1-3/4"	44.5	60.0	10	30	1.565	30
2"	50.8	65.0	10	30	1.478	30
