## Grease Trap Biomatic Enzyme

**CleanFlow Grease Trap Biomatic Enzyme Pro** unleashes a powerful enzyme army to instantly dissolve fats, oils, and greases. Witness visible reductions and say goodbye to greasy buildup, ensuring smooth-flowing drains and fewer maintenance headaches

Packed with high levels of amylase, cellulose, lipase, and protease enzymes, CleanFlow empowers beneficial bacteria to devour all organic waste lurking in your drains. It's a biotechnological feast that reduces BOD by up to 80%, making CleanFlow sewerage-system friendly.
