AMPOULE BALM!**

**FOR**

sensitive skin losing elasticity and requiring moisture

**SOLUTION**

a complex of vitamin & Jeju fermented green tea oil

**APPLY**

wrinkle improvement, moisturizing & skin soothing.

For Effects of Powerful Nutrition,  
Moisturizing Care, and Wrinkle Improvement

with Cica + Jeju Fermented Green Tea + Vitamin

Wrinkles, why do they occur?

The reason is just due to skin aging!

Due to insufficient moisture  
in the stratum corneum on the skin surface,  
or decreased elasticity of the upper dermis,  
the wrinkles occur.

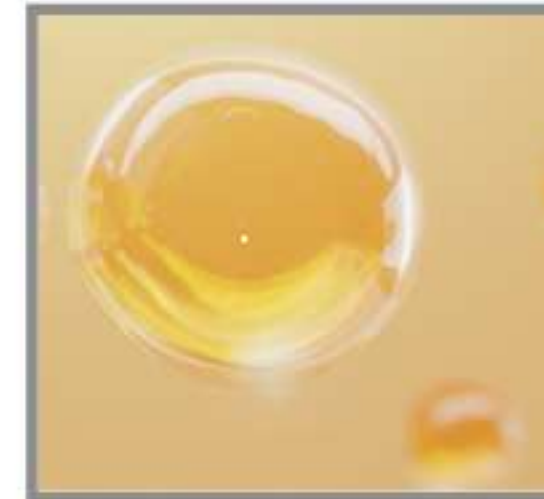

As it is composed of

EWG green grade raw materials

**safely for skin**

Jeju fermented green tea oil  
keeps skin cells healthy,  
promotes collagen production, and  
helps to strengthen the skin.

Sea Buckthorn Fruit Oil  
prevents aging relieving inflammation,  
and helps skin whitening effect  
due to its contained Omega 7.

Formation of

Moisture Moisturizing Film

Effects of strengthening

the skin barrier and improvement of wrinkles

\* The above is limited to the characteristics  
of raw materials.

## Houttuynia

### Cordata

#Antibacterial  
antioxidant

## Argan

### Kernel Oil

#Melanin  
pigment removal

## Evening

### Primrose Oil

#Oil-moisture balance

It inhibits the formation of blemishes or freckles with a blending of houttuynia cordata with antibacterial, sterilizing and antioxidant effects,

# Specialized vitamin C care for sensitive, troubled skin

Fermented balsam apple extract + Lactobacillus Sakei

It helps skin regeneration and enhancing immunity with the combination of vitamin C and lactobacillus

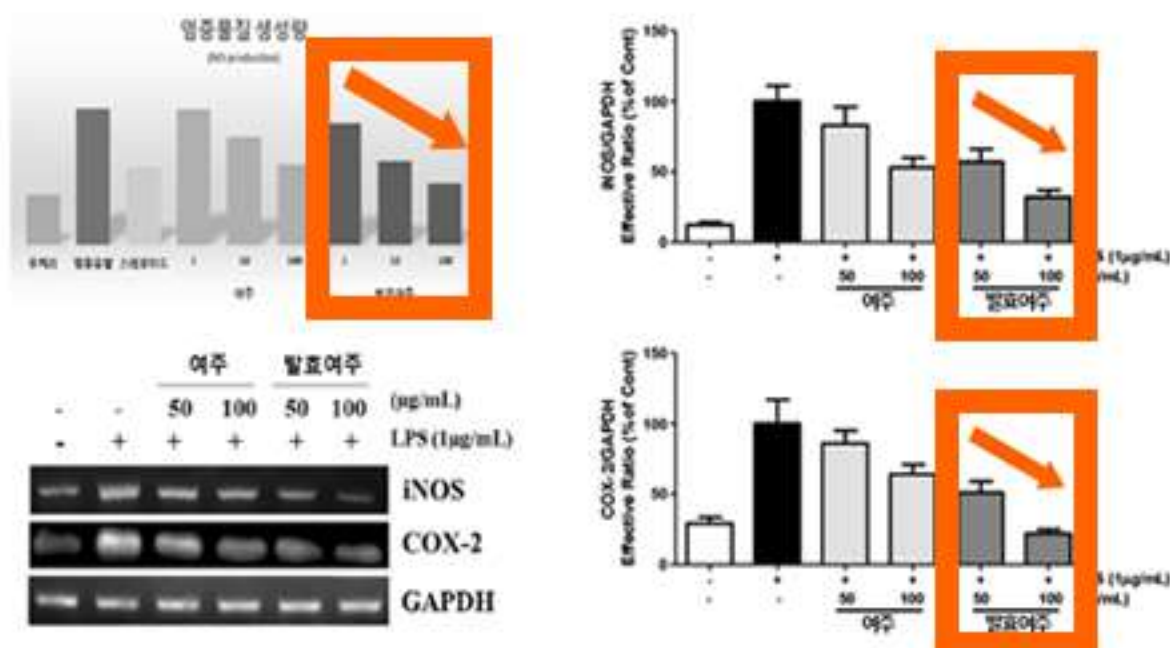

a balsam apple extract helps promoting the growth of skin cells.

A balsam extract prevents MMP production that destroys collagen and helps increasing skin collagen.

\*The above is limited to the characteristics of the raw materials and is not a text reviewed by the Cosmetics Act. Also, the use of photographs used in the material risks violating copyright law.

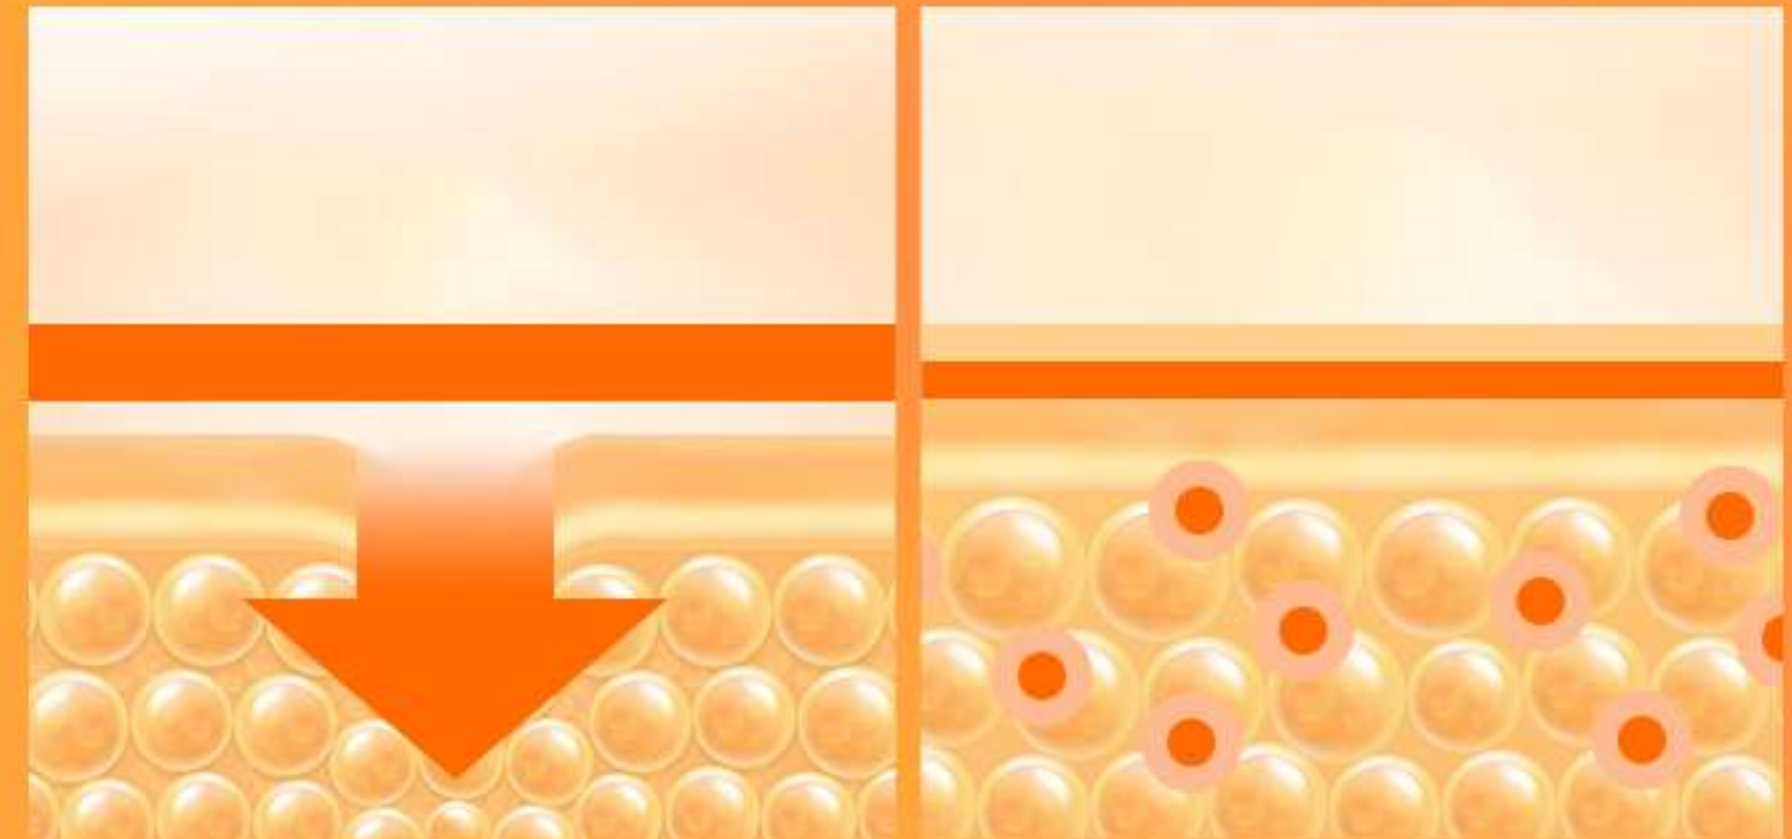

## Calming effect that doubled more than 2 times of lactobacillus fermented balsam apple extract

Lactobacillus fermented balsam apple extract strongly prevents the material that cause skin trouble and excellent in anti-inflammatory (calming) effect

\*The above is limited to the characteristics of the raw materials and is not a text reviewed by the Cosmetics Act. Also, the use of photographs used in the material risks violating copyright law.

# Would you neglect the blemish and freckles on your face?

Maximizes the effects by fermenting the balsam apple extract with Sakei (lactobacillus)

Certification completed

Strong skin regeneration ability

&

whitening effect

# THE AMPOULE 04set

Certified by korea agency of  
vegan certification and services

Skin stability non-stimulus  
test completed

Use of FSC certified  
eco-friendly paper and soy ink

# THE AMPOULE

DAILY CARE FOR YOUR SKIN TYPE

## Small practice for the planet **ALL CLEAN BEAUTY**

✔ Able to separate and waste from the outer box to the container

ALL PP  
ECO PUMP

Eco-friendly container

We use an eco pump of the ALL PP single material, which enables separating, putting out, and recycling after removing non-recyclable metal pistons.

Use of FSC certified eco-friendly paper and soy ink

We use 100% eco-friendly material paper and ink.

Removable label

Please remove the label and put it out for our planet after use.

# Dermashare's four daily care products

for various skin troubles

- The ampoule 01**  
Panthenol + Vitamin Complex
- The ampoule 02**  
Lactobacillus Ferment + Rosa Damascena Flower Water
- The ampoule 03**  
Flower Complex + Peptide
- The ampoule 04**  
Aloe Barbadensis Leaf Extract + Hyaluronic Acid

- Skin regeneration, barrier care**
- freckle, whitening care**
- pore, elasticity care**
- moisture, calming care**

# The ampoule daily intensive care TIP

- Trouble for sensitive skin**  
Intensive care 01 + 04
- Collapsed skin elasticity**  
Intensive care 01 + 03

Intensive care 01 + 02

**Strengthen the barrier & whitening care**  
Barrier strengthening care, skin tone and freckle improvement care for glow skin from the inside

- The summer season**  
Intensive care 02 + 03

**Whitening & pore care**  
Intensive care for summer season skin Which is hard to care such as drooped pores due to the heat, tanned skin, freckles and blemishes

# The Ampoule 01 Panthenol, Vitamin Complex

Solution for Regeneration, elasticity care

Strengthening barrier and elasticity care that firming skin from the inside for drooped skin caused by the damage

12 vitamin bomb ampoule

for damaged skin

Strengthen the cells inside the skin  
by containing essential vitamin ingredients

Contain  
12 vitamin water

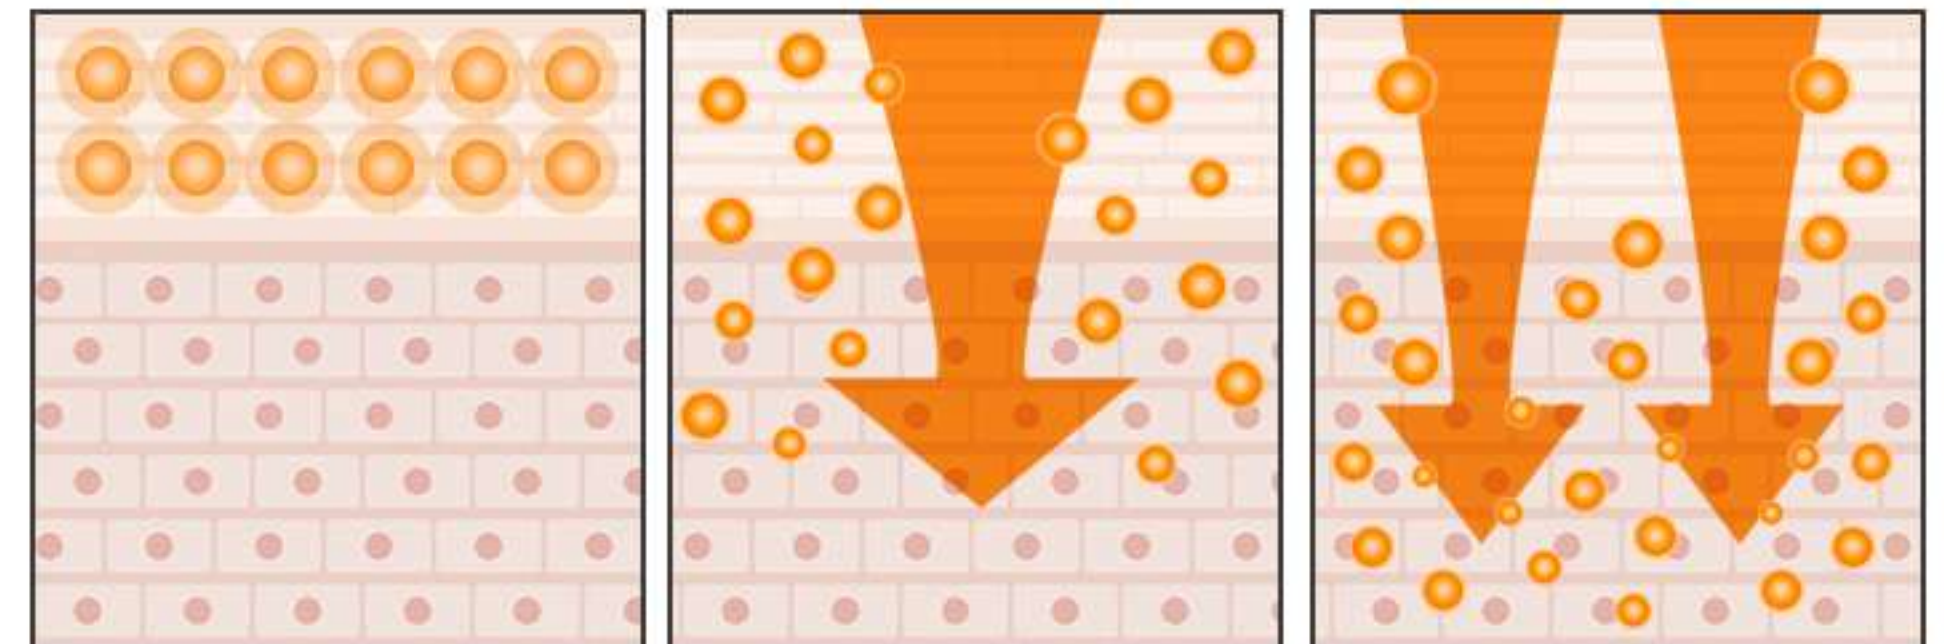

Vitamin A, Vitamin B1,  
Vitamin B2, Vitamin B3,  
Vitamin B5, Vitamin B6,  
Vitamin B9, Vitamin B12,  
Vitamin C, Vitamin E,  
Vitamin F, Vitamin H

## High content vitamin care

Vitamin B5 + Vitamin B12

panthenol

niacinamide

High-content vitamin that fills up the skin deeply  
makes a strong skin barrier and enhances elasticity.

*The Ampoule 02*  
Lactobacillus Ferment,  
*Rosa Damascena*  
Flower Water

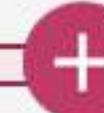

Solution for Whitening care

Freckle, trouble, skin tone improvement care  
for clear and bright skin from the inside

**Damask rose water,**  
excellent in improving skin tone,  
which is an essential part  
of the skin whitening

20 times higher vitamin C  
than lemon

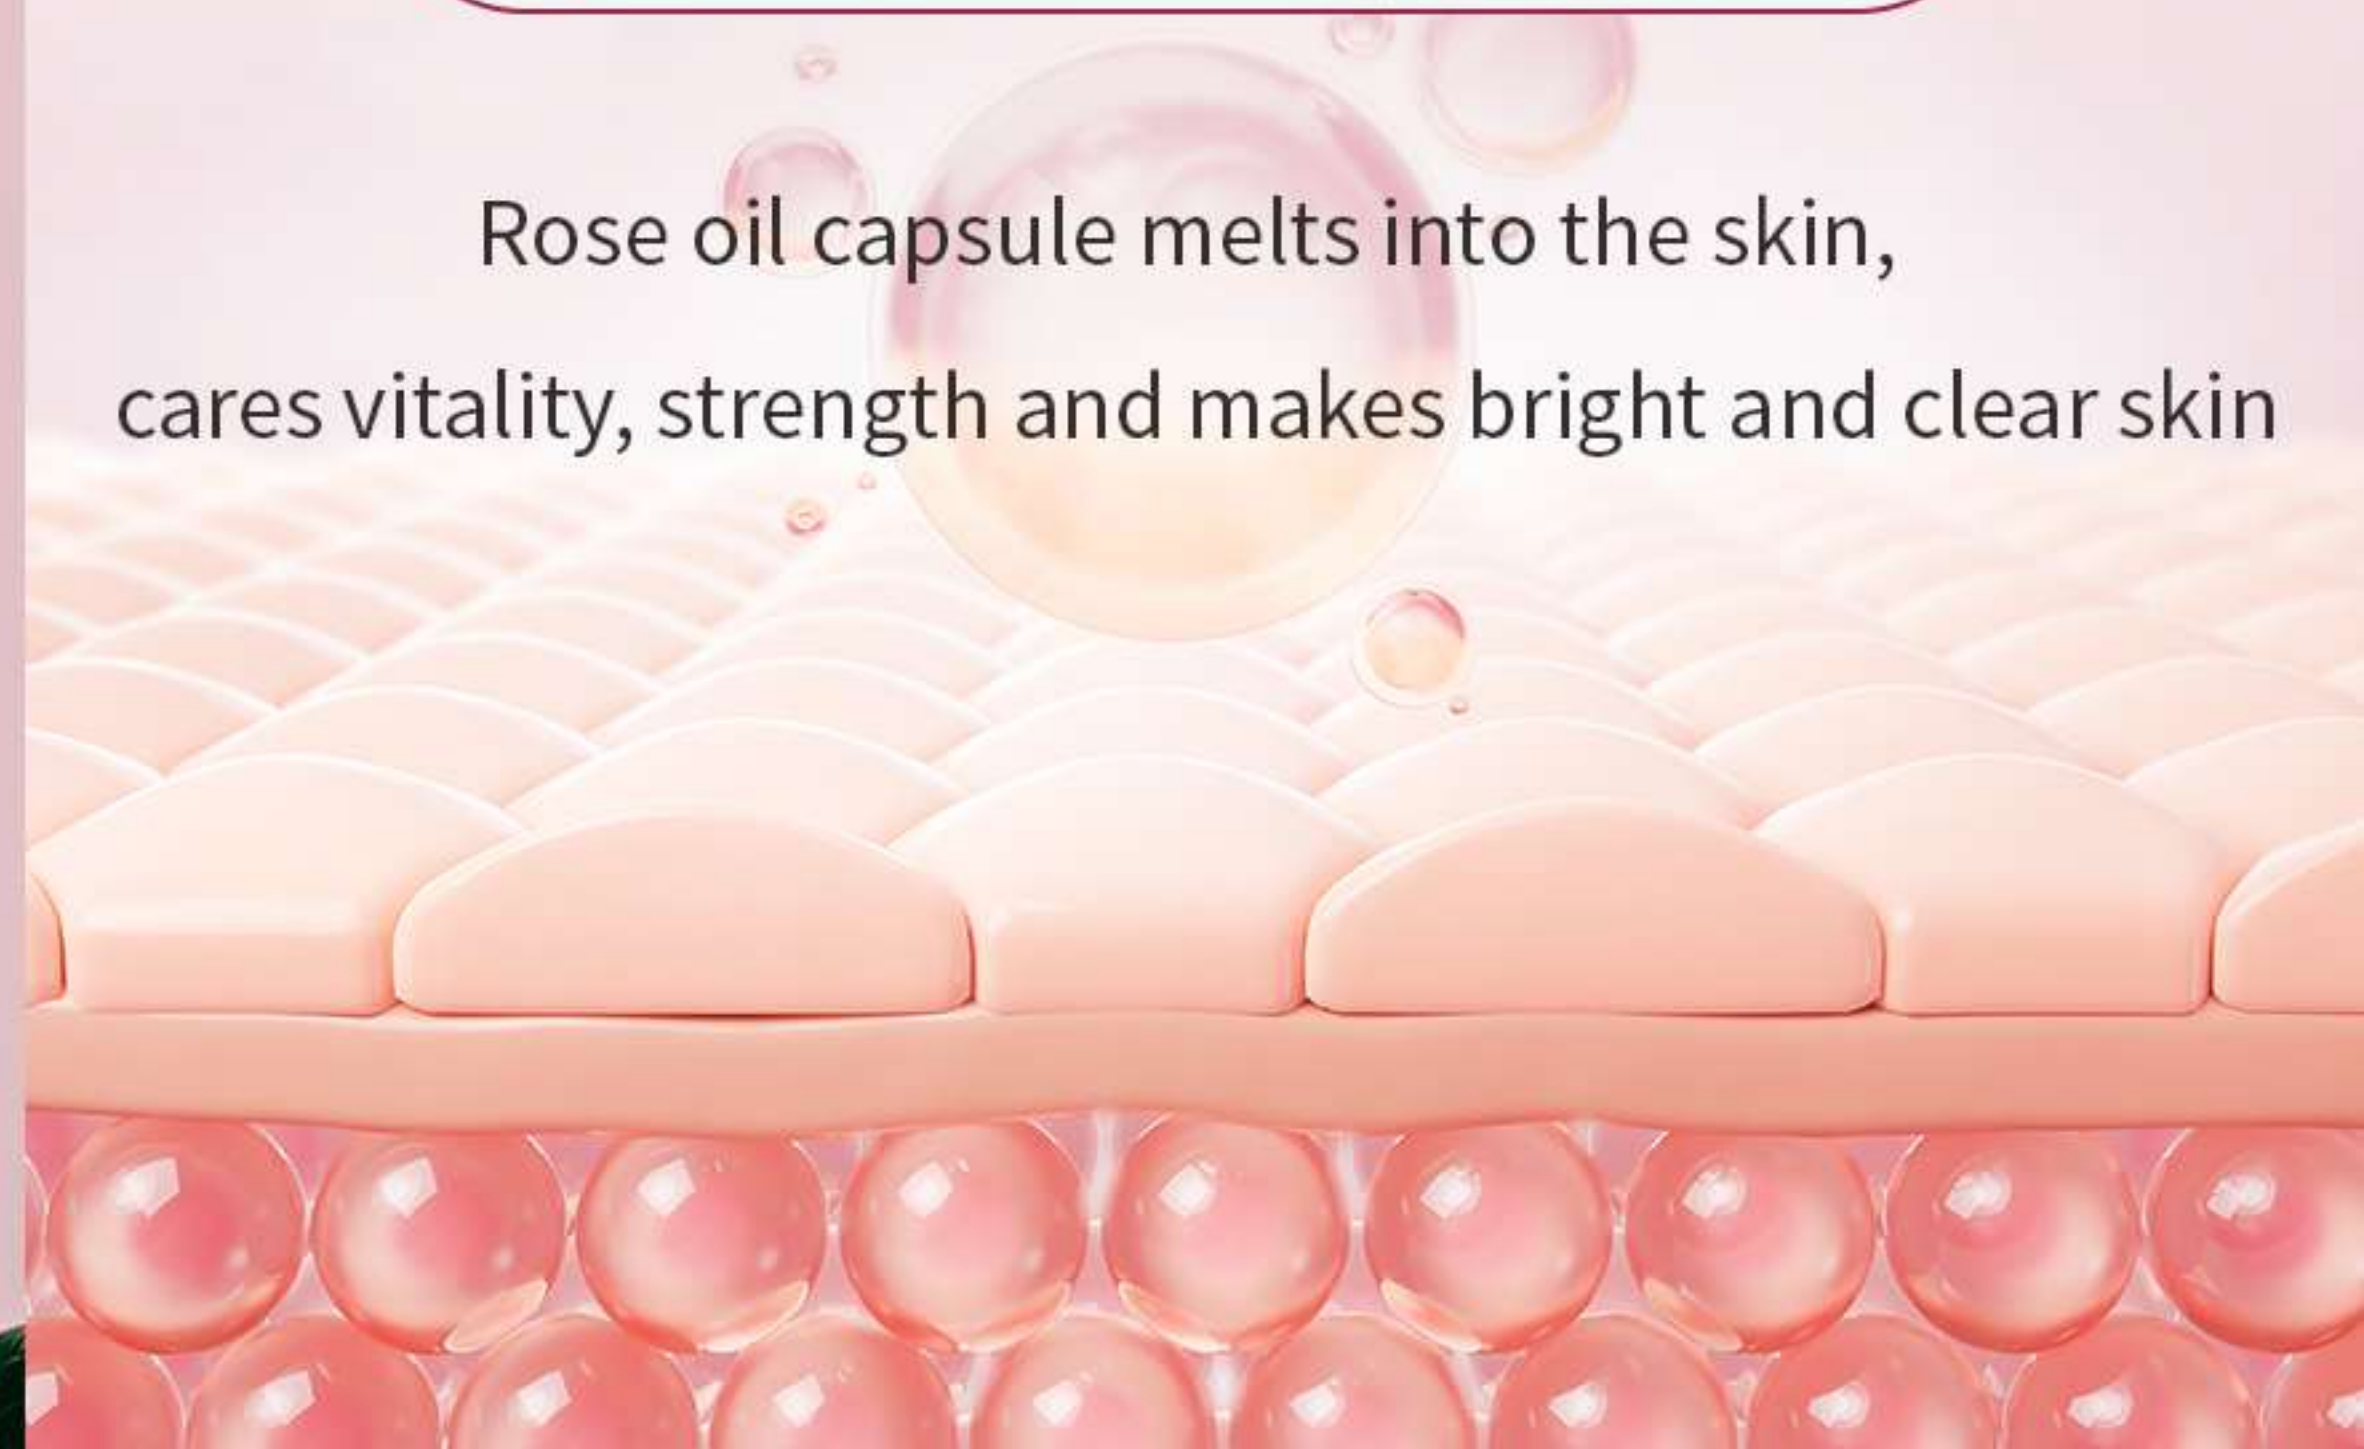

8 times higher estrogen C  
than pomegranate

20 times higher vitamin A  
than tomato

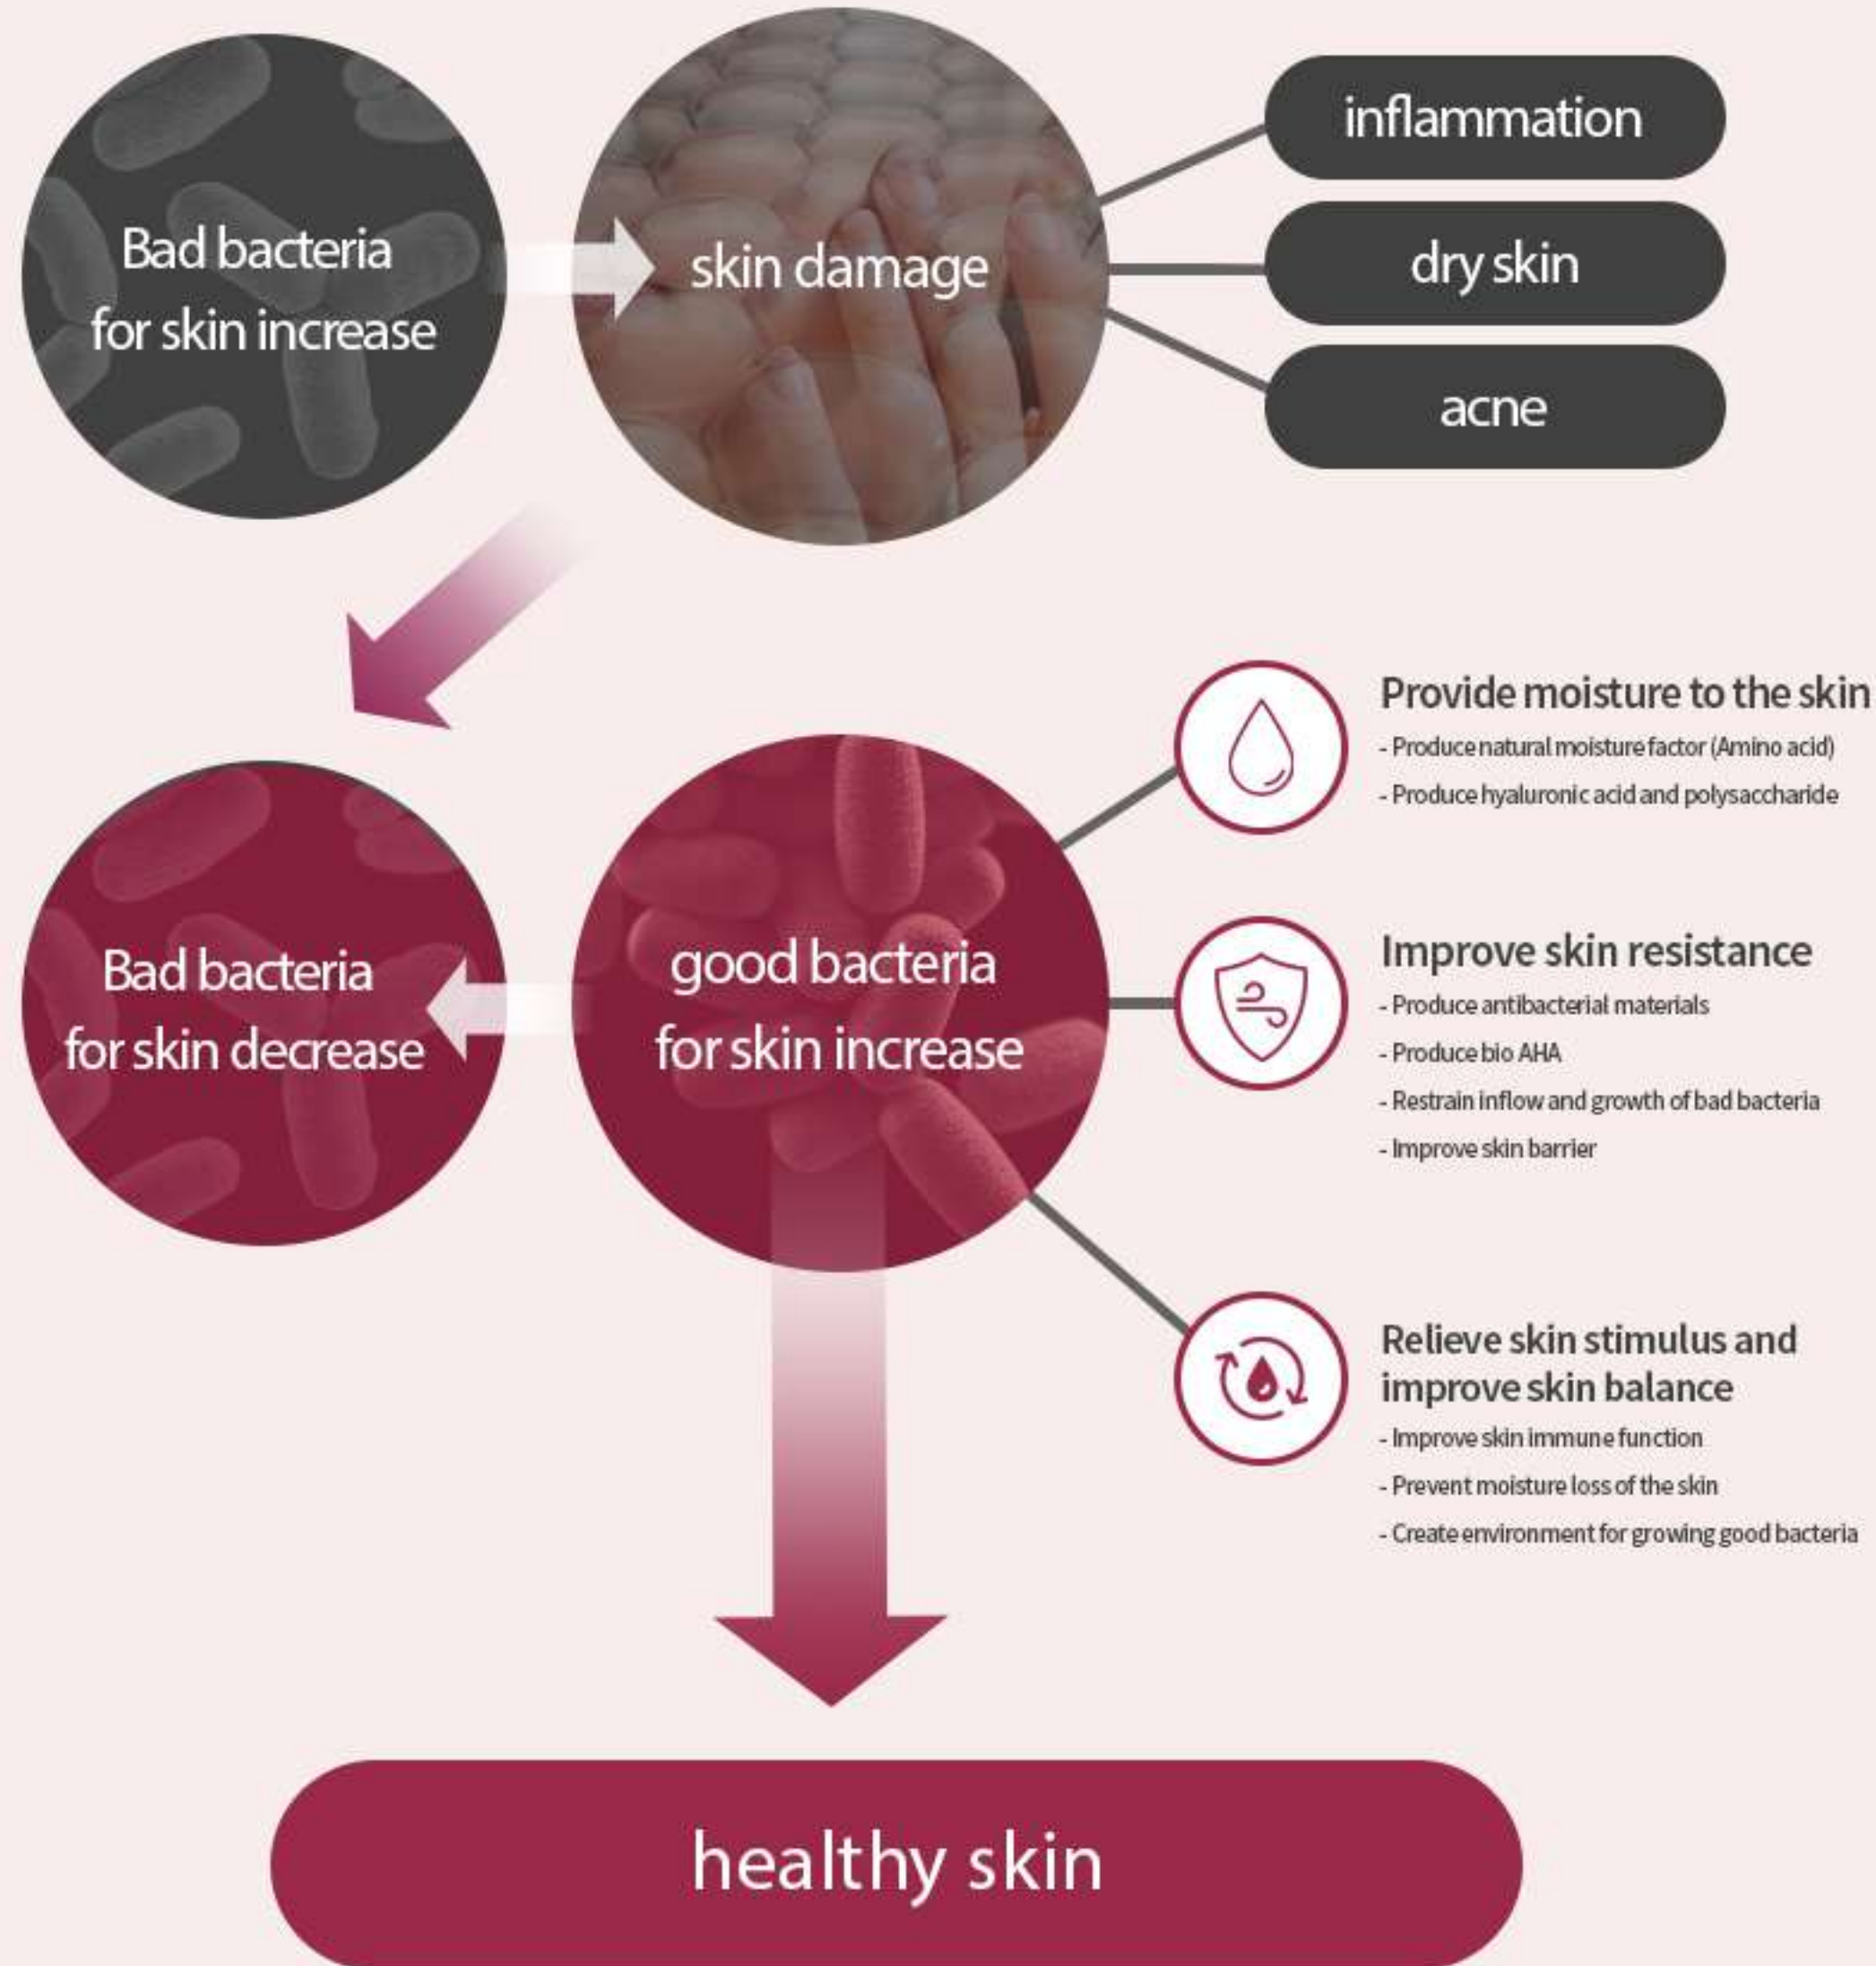

Rose oil capsule melts into the skin,  
cares vitality, strength and makes bright and clear skin

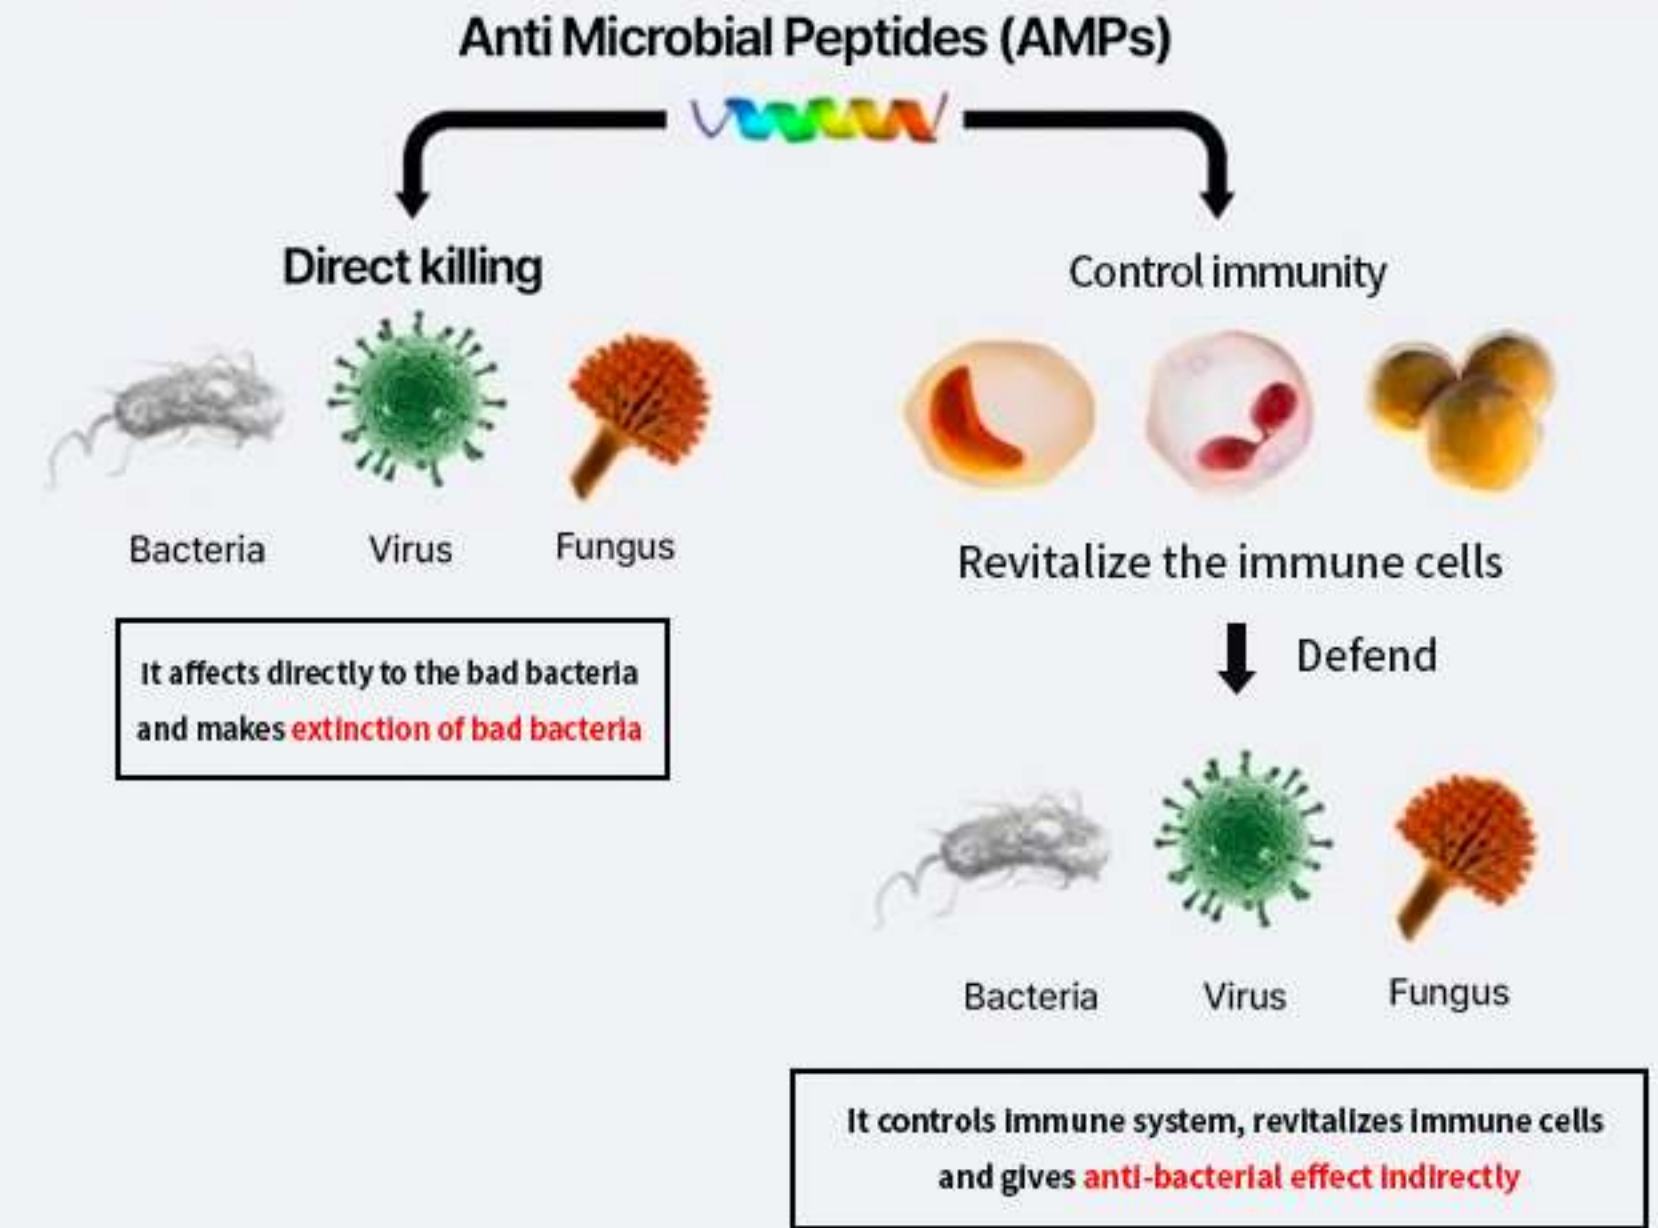

# Lactobacillus extract

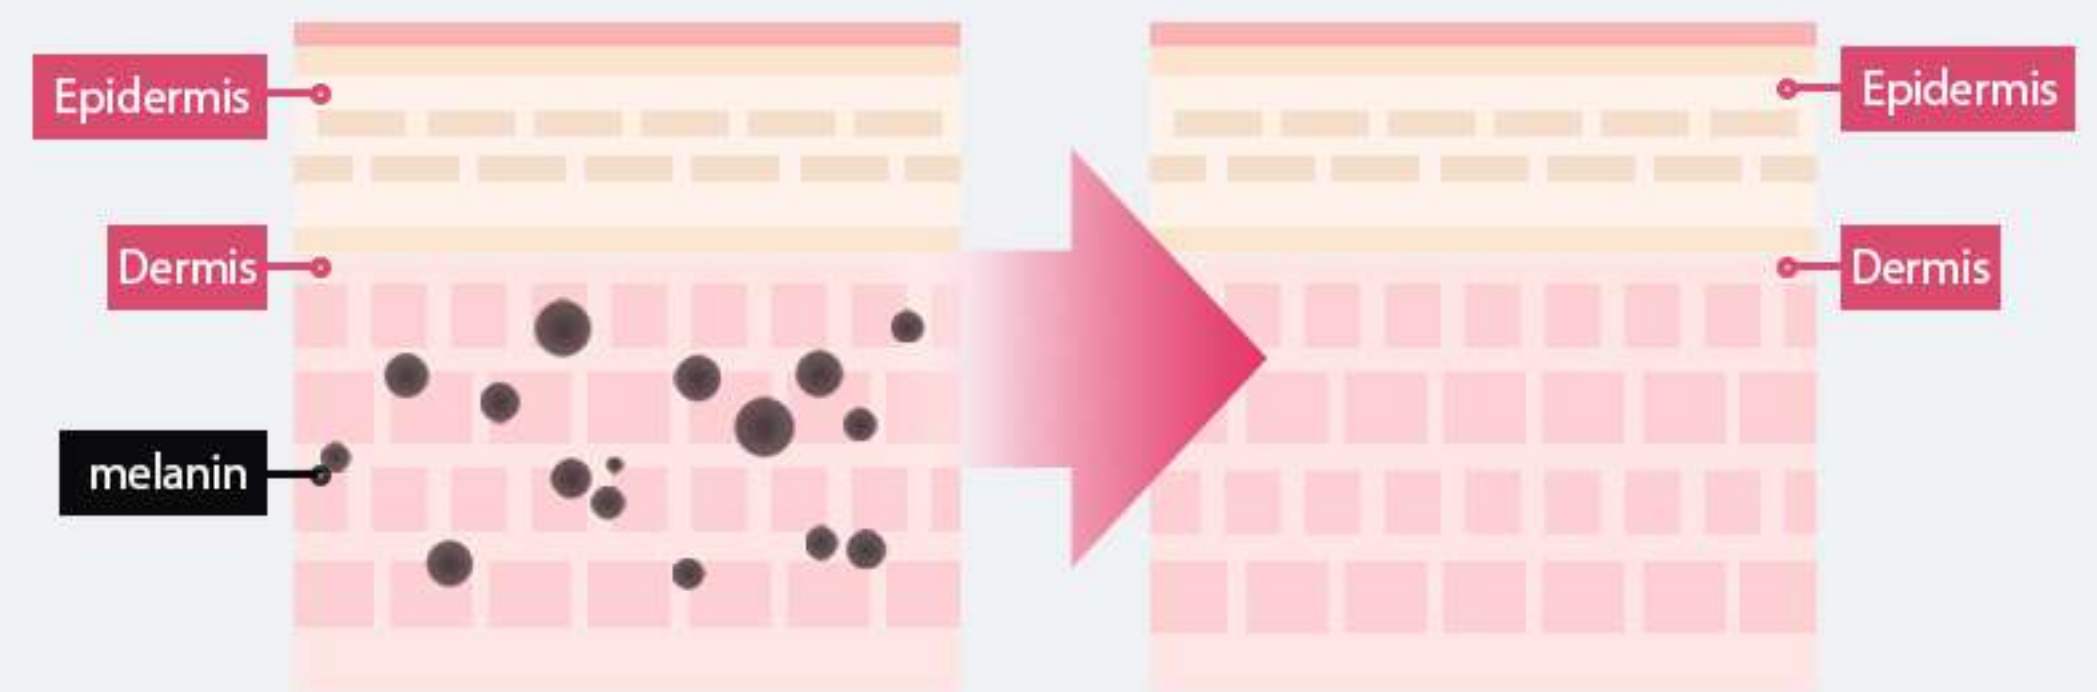

that prevents damage and aging from the continuous outer stimulus

# Protect skin from the bad bacteria Anti Microbial Peptides (AMPs)

# Damask rose water + Rice extract

Pigmentation and freckle care such as inner freckle, dark freckle, outer freckle that hinders skin whitening by restraining the melanin

# The Ampoule 03 Flower Complex, Peptide

Solution for Pore intensive care

Pore intensive care for drooped and bigger pores

If the oil-water balance collapsed, sweat and sebum secretion increased, making the pore bigger and drooping

## Step 1 Peptide

Make oil-water balance and deep moisture care

## Step 2 Flower complex

Skin elasticity care by creating and promoting the collagen

Tightening pores and give nutrition by combining materials that are excellent in caring pores

*The Ampoule 04*  
**Aloe Barbadensis  
Leaf Extract,  
Hyaluronic Acid**

Solution for Hydration, calming care

High-moisture, calming care for irritated and dry skin

Inner hydration moisture filling care  
deeply from the inner skin

Step 1

**Hyaluronic acid**  
Hydration care  
filling up from the inner skin

Step 2

**Aloe vera  
leaf extract**  
Barrier improvement care  
and skin protection  
by creating moisture layer

High-moisture, calming care solution  
for sensitive skin

# VEGAN CICA MANGO NOURISHING SOLUTION MASK

Certified by korea agency of vegan certification and services

Skin stability non-stimulus test completed

Use of FSC certified eco-friendly paper and soy ink

Time for relieving irritated skin

# Vegan Cica Mango Nourishing Solution Mask

[Wrinkle improvement certificate completed]

5 ea

Contains abundant  
amount of product

Full of abundant nutrition serum of 25ml

**ALL CARE with just one sheet**

# 100% vegetable vegan fabric Hydrogel new clear sheet

1

Reacts with the skin temperature, Active ingredient and essence completely absorb to the skin

2

Produces with the nature ingredients, mild sheet without irritation

## Stick to the skin softly and closely! Super-close micro fiber sheer

Micro fiber sheet that completely absorbs ampoule sticks to the skin closely and gives nutrition directly.

High-functioning nature ingredients, Fermented with

independently developed patented strain

## Fermented mango complex

✓  
Natural

Skin friendly nature-oriented natural ingredients For delicate skin

✓  
Functional

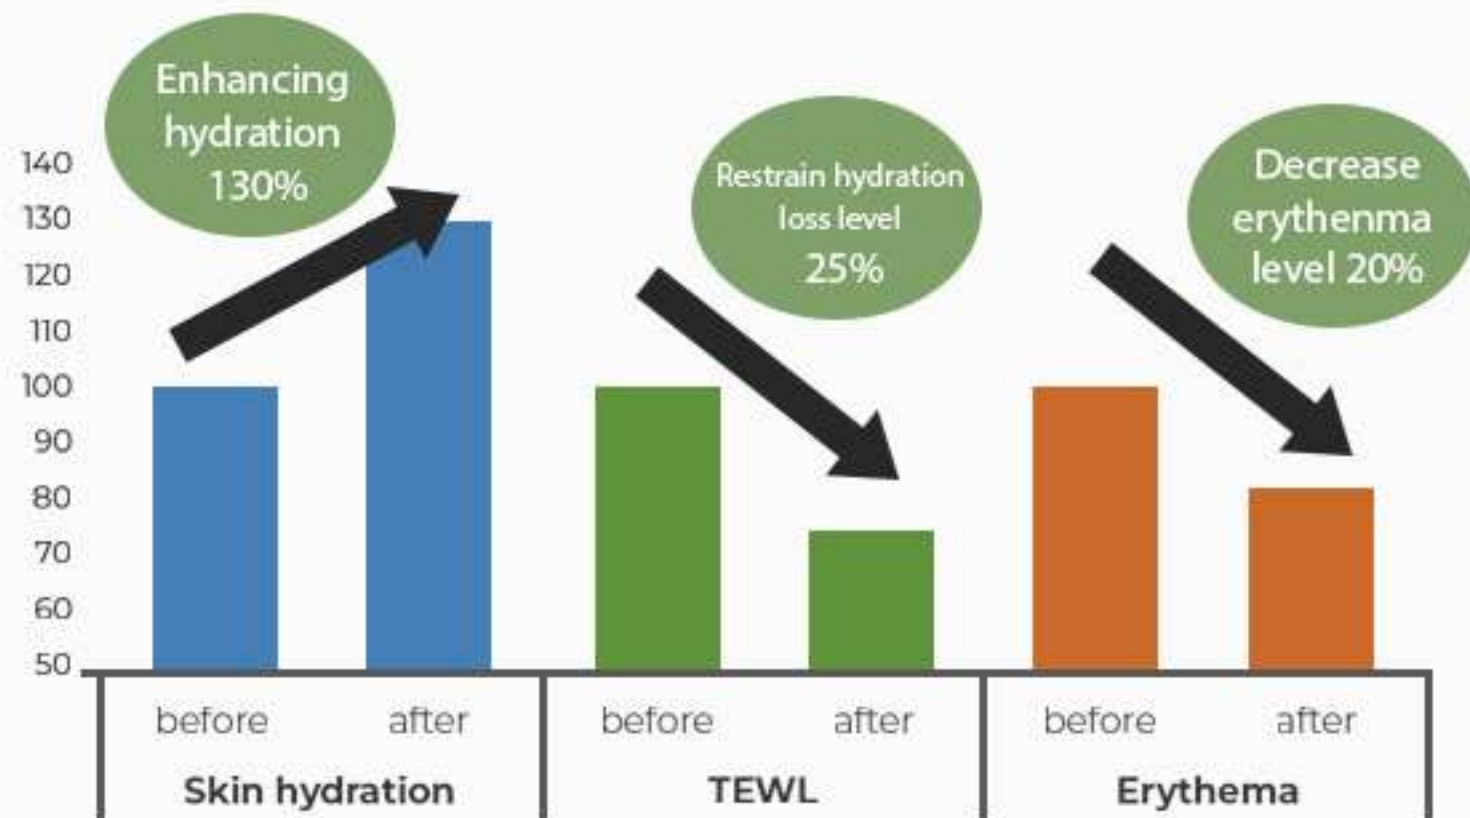

Effective ingredient with skin calming, hydration, revitalizing function based on scientific ground

✓  
Safety

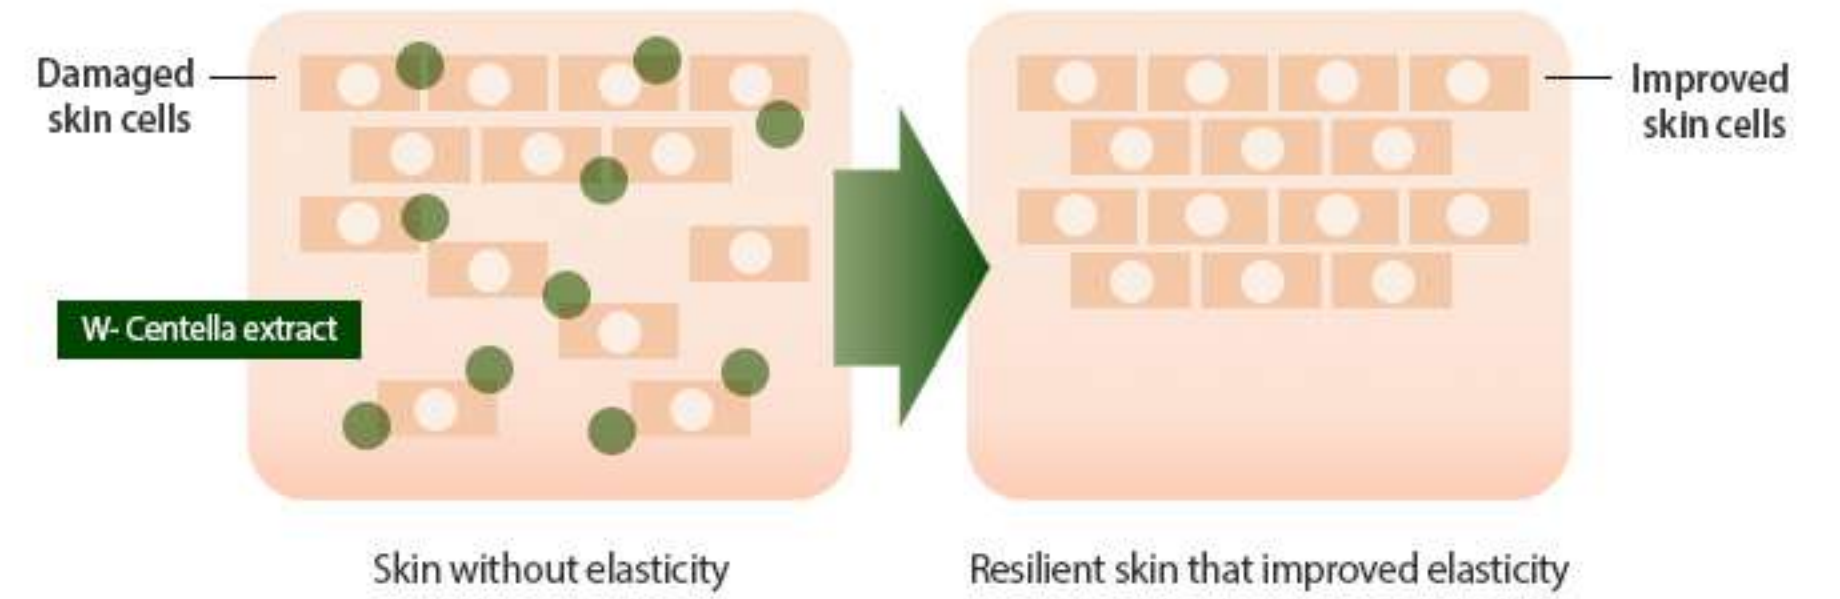

Non-stimulus safe material Through the skin irritation test

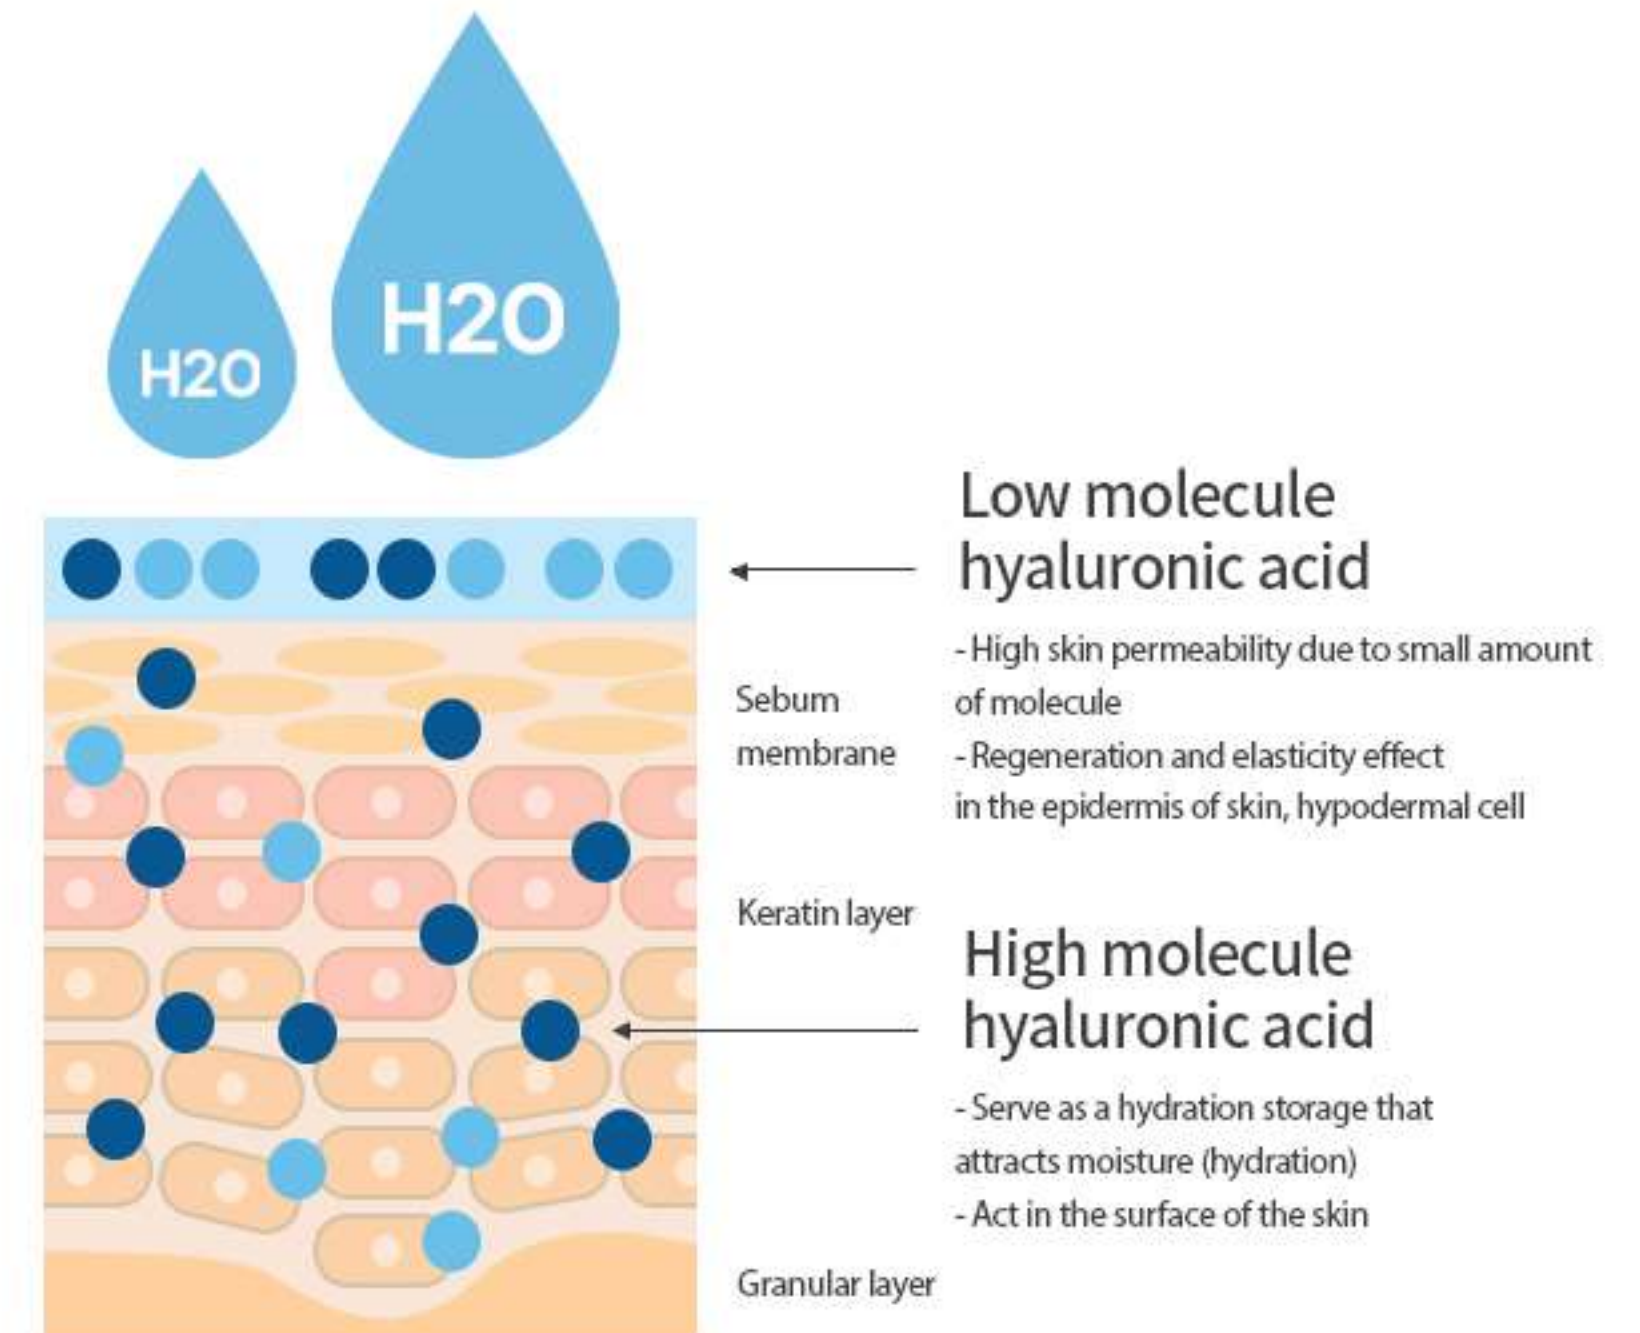

## Centella extract

# CICA

✓  
It promotes collagenesis and regenerates damaged skin.

## Low molecule HA + High molecule HA

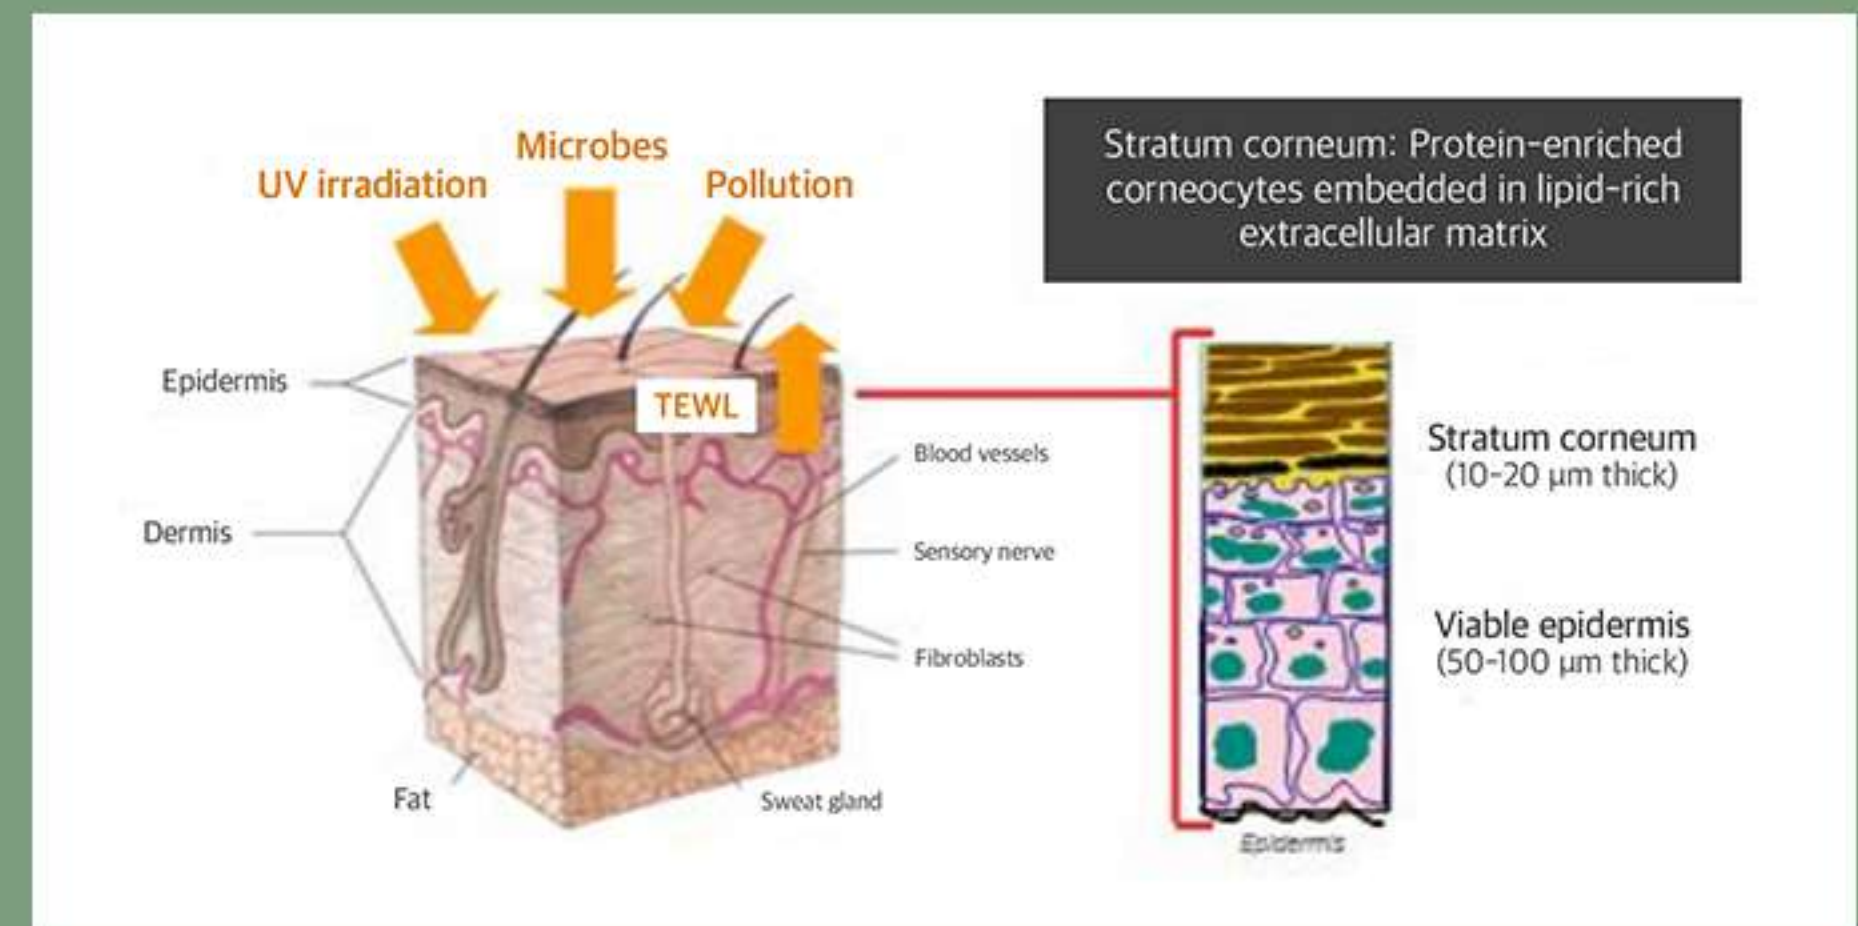

11 hyaluronic acid, ultimate hydration care

# Hyaluronan 11 Multi-Complex

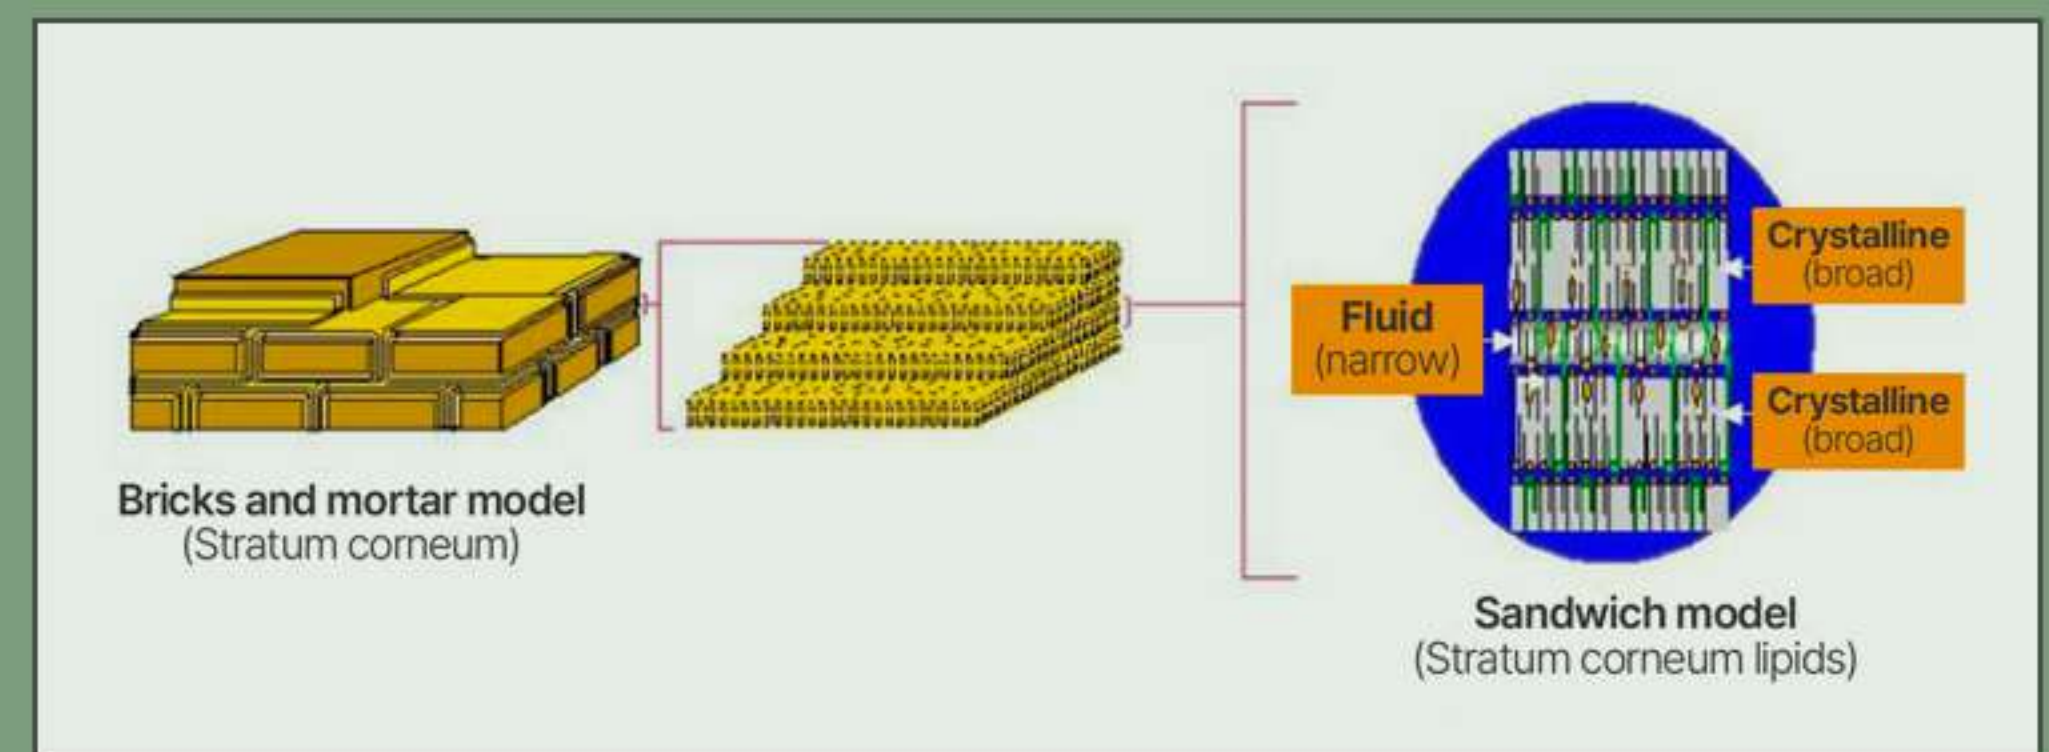

Collagen penetrates the lower part of the skin, lessens the damage and maintains skin elasticity with strong hydration ability.

## Enhancing skin barrier, Ceramide water

Ceramide water that strengthens skin protection layer through lipid arrangement of Keratin layer

Ceramide that helps lipid arrangement of Keratin layer which is a core process of creating skin barrier

89  
Vegan Tea Tree 89  
Cooling Toner Pad  
170 ml / 5.74 fl. oz. / 200  
DERMASHARE

# High-concentration tea tree toner

We put full 170ml of the bottle.

Make the skin moisturized as it is filled with toner  
so that you can use the last sheet without drying it.

You think the cleansing toner is irritative?  
It is non-relevant  
if it uses embossing pure cotton pads.

Softly without friction, irritation  
by having enough toner  
as the cotton pad has high absorption ability

Use embossing whole type pure cotton fabric  
that is good to use every day

# Specialized vitamin C care for sensitive, troubled skin

Fermented balsam apple extract + Lactobacillus Sakei

It helps skin regeneration and enhancing immunity with the combination of vitamin C and lactobacillus

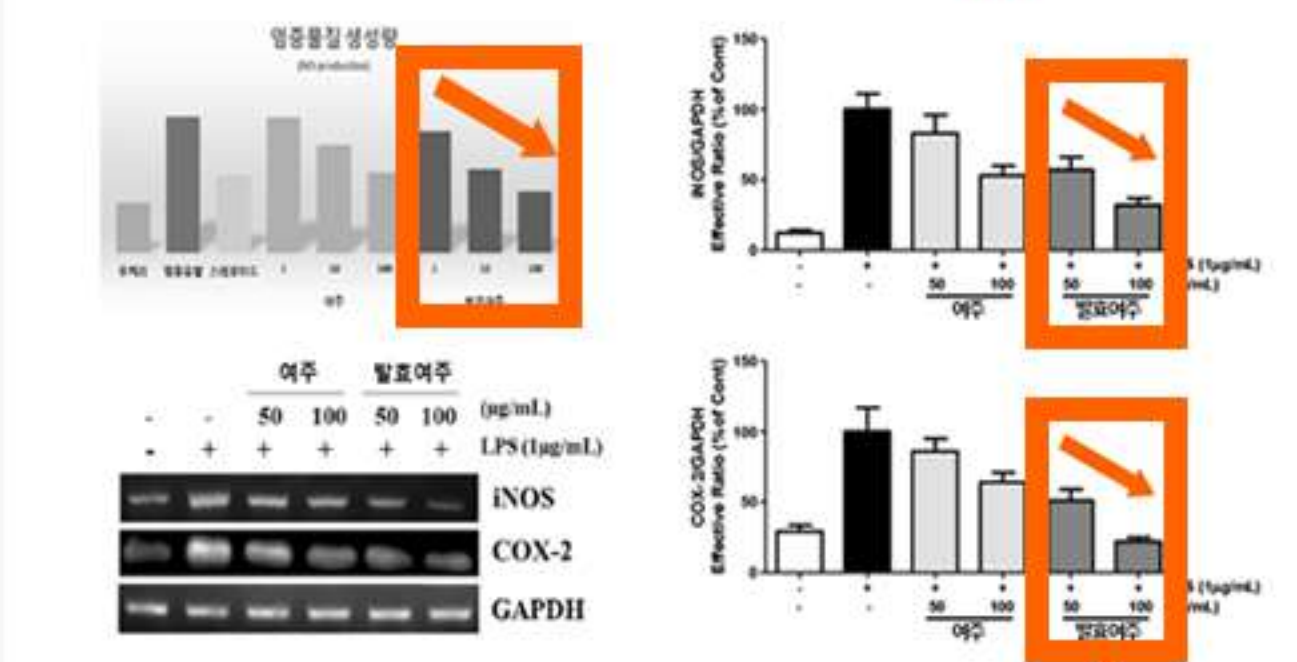

a balsam apple extract helps promoting the growth of skin cells.

A balsam extract prevents MMP production that destroys collagen and helps increasing skin collagen.

\*The above is limited to the characteristics of the raw materials and is not a text reviewed by the Cosmetics Act. Also, the use of photographs used in the material risks violating copyright law.

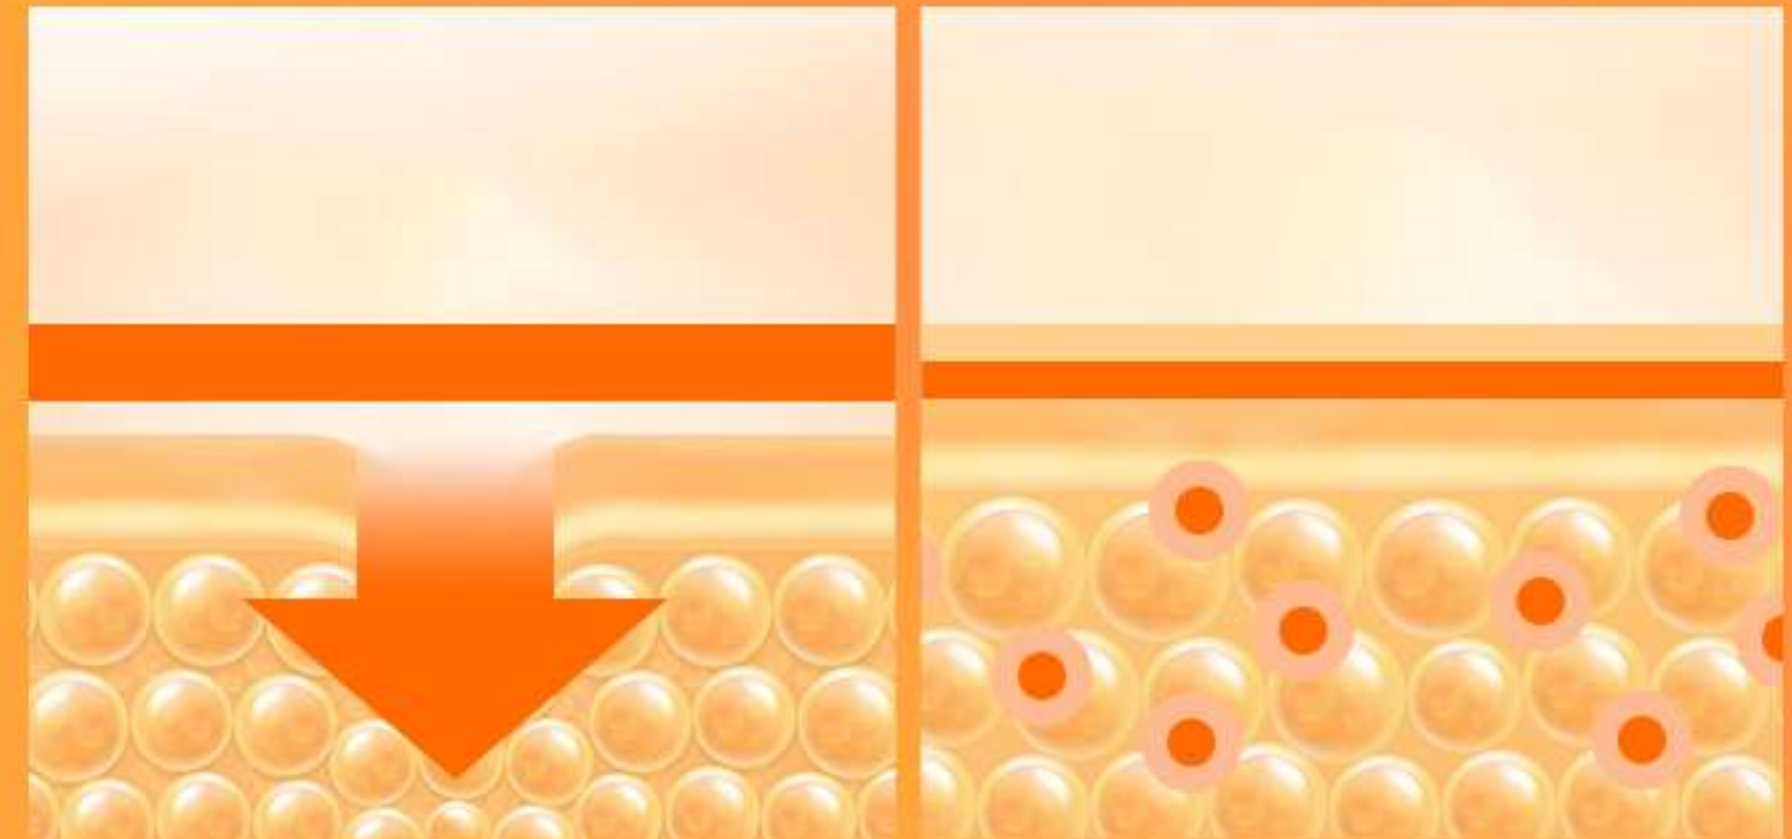

## Calming effect that doubled more than 2 times of lactobacillus fermented balsam apple extract

Lactobacillus fermented balsam apple extract strongly prevents the material that cause skin trouble and excellent in anti-inflammatory (calming) effect

\*The above is limited to the characteristics of the raw materials and is not a text reviewed by the Cosmetics Act. Also, the use of photographs used in the material risks violating copyright law.

# Would you neglect the blemish and freckles on your face?

Maximizes the effects by fermenting the balsam apple extract with Sakei (lactobacillus)

DERMASHARE

'High moisturization' & high nourishment skin barrier care

## DERMASHARE MEDI PROPOLIS VITAMIN E AMPOULE

Contains high-concentration 74% propolis extract + Vitamin E

*Medi Propolis Vitamin E Ampoule*

Perfect care for the disturbed skin barrier

Strong improvement effects on the skin against irritation and damage

Contains 74% propolis extract

Most other ampoules contain  
high contents of diluted water!

Dermashare Medi Propolis Vitamin E ampoule is manufactured with minimized diluted water contents while filling those portions with propolis extract and other patented ingredients so you can experience the moisturizing effects from deep inside your skin layers.

propolis contents **74%**

Form protective layer on the skin

Step 1

Fill the inner layers of the dry skin with high-moisturizing and nourishing functions

Step 2

Provide strong protection on the skin with hydrolipidic layers

Step 3

Maintain the best condition of the skin with strengthened skin barrier while providing firmness care.

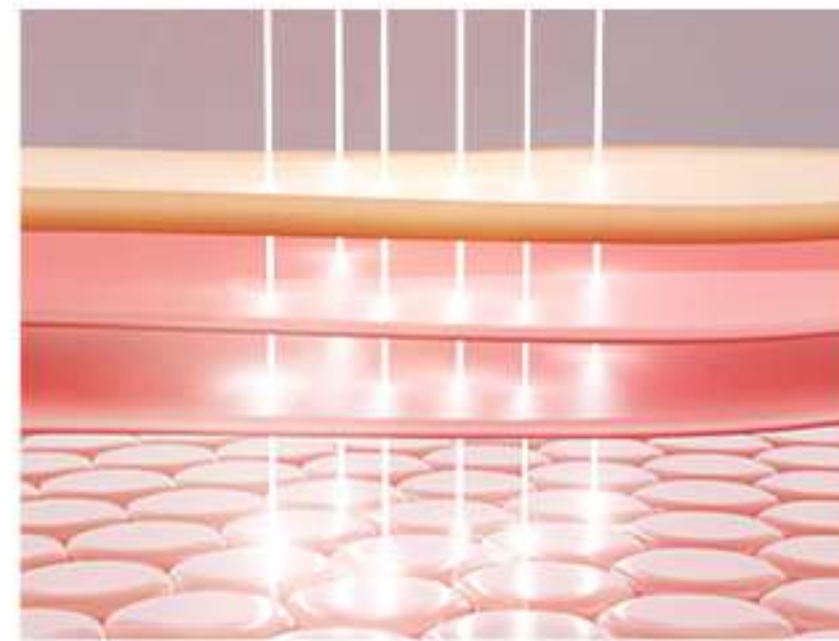

# A tip from Dermashare to care for spots on the skin!

Increased melanin pigments from UV rays and dry skin caused by lack of moisture causes color pigments to settle, resulting in premature aging and spots forming on the skin if not cared for.

## Step 1

Form moisture layer on the skin to prevent dryness

## Step 2

Focused melanin care with high-vitamin concentrations

### Vitamin E Acetate

Provide protection for the skin cell layer, moisture, and nutrition

### Vitamin C fruit extract

Prevent premature aging by decreasing inflammation, while providing whitening effects through the Omega 7 contents

### Ascorbic acid

Helps to decrease age spots, pimples, freckles, and blotches caused by UV rays, and to improve the skin tone

Full of 7 types of patented natural plant-based extracts

in place of decreased diluted water contents!

7 types of natural plant-based extracts

## Multi EX BSASM Plus

Centella asiatica extract · Reynoutria japonica root extract · Scutellaria baicalensis root extract · Green tea extract · Spanish licorice extract · Rosemary extract · Chamomile extract

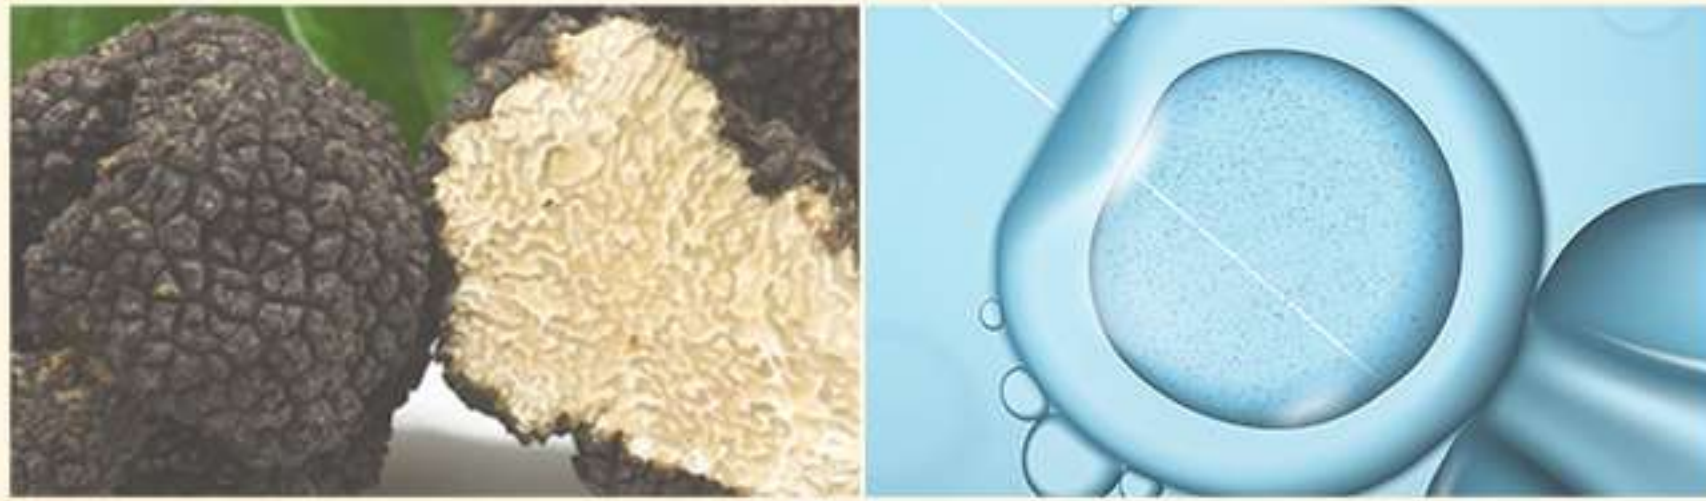

- Zero cellular toxicity! Strong anti-inflammatory effects
- Soothing effects and strengthening of the skin barrier by repressing the immune system
- Excellent feedback from clinical trials on safety
- Helps with recovery from symptoms of atopic dermatitis

Manufactured with high-quality ingredients  
in the optimal ratio and mixture for the best effects

# Strengthen skin barrier, improve wrinkles

Strong nourishment, decrease wrinkles, prevent premature aging

## White truffle extract

Called the 'black diamond from underground,' truffle helps to maintain healthy and lively skin with its nutrient contents

## Collagen

Provide firmness to sagging skin, while preventing aging

and antifungal characteristics provide strong  
healing effects from burns and open wounds.

\*The above pertains to ingredient characteristics only

**It has crazy tension and adhesion with a patent on needle punching.**

Double layer of air maximizing tension and adhesion  
 |  
 It can absorb and discharge much larger amount, so it is tight without cakey.

It can be used with confidence without skin irritation as a bio- certified eco- antibacterial puff.

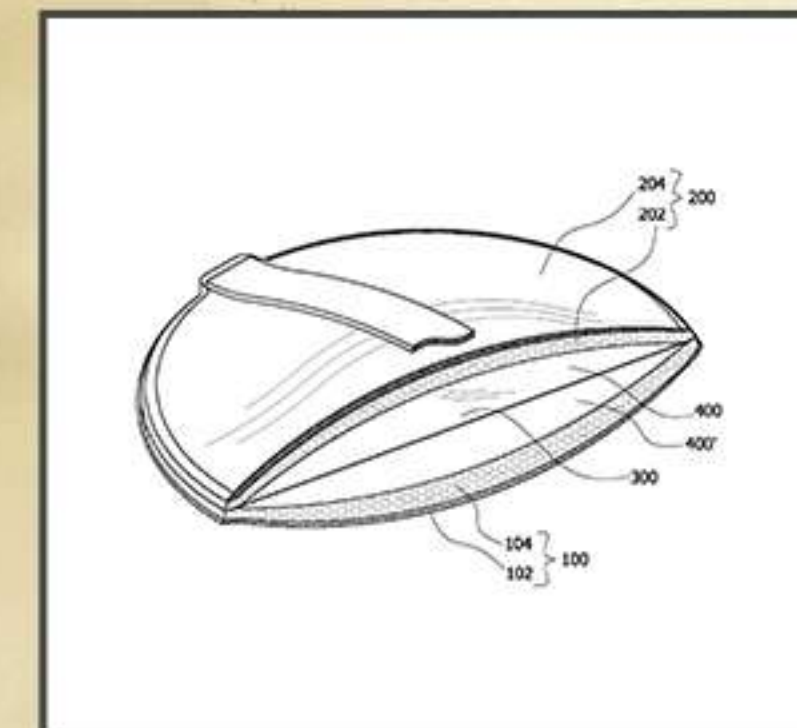

- Fabric made of plant- derived polyol (castor oil) is used.
- USDA- certified bio- certified product with a value of 28% (The value must be 22% or higher to get bio- certified.)
- Eco- friendly puff  
 The amount of carbon dioxide generated during incineration is very low.  
 When alive as a plant, it releases oxygen and suppresses the generation of carbon dioxide.

Twice as thick as the existing puff, and two times tighter pumping puff

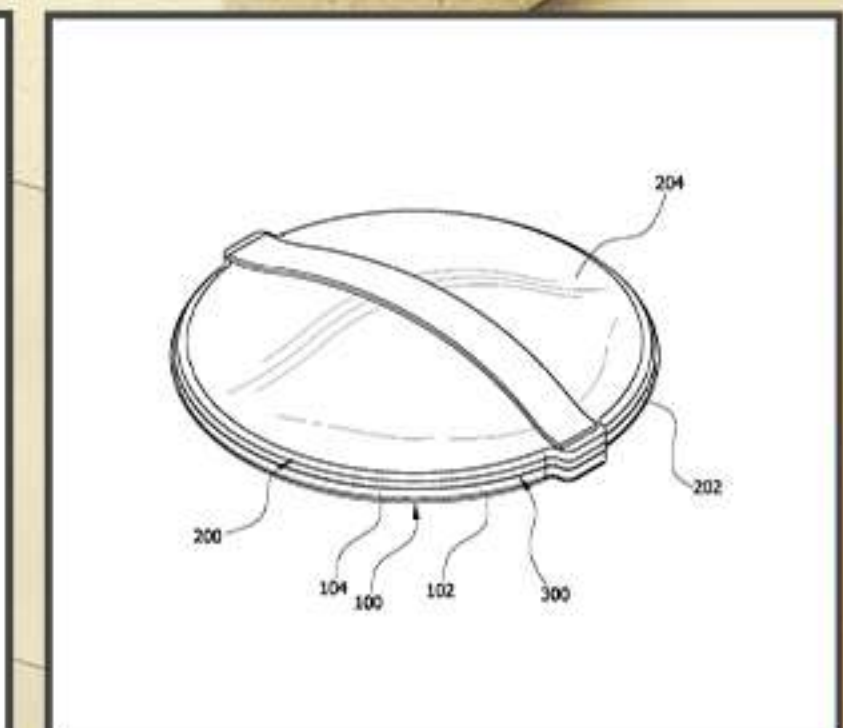

Documents certifying the permission of pumping barrier

Composed of multiple layers of barrier and air layer

It produces perfect adhesion to any skin and smooth skin expression.

Relieving irritation in case of skin contact

Excellent cooling feeling due to ventilation effect
